A TRIBUTE

"YOGI SAINT SWAMI DEVI DYAL MAHARAJ Ji"

Swami Devi Dyal Hi-Tech Education Academy, a non-profitable society managing Swami Devi Dyal Group of Professional Institutions is named as a humble tribute to a great "Yogi Saint, Swami Devi Dyal Maharaj Ji", a noble selfless pious soul, who initiated setting up hundreds of Yoga and Meditation centers across the country, to embed dedication, achieve concentration, attain peace of mind and acquire real knowledge.

The path shown by this Godly Saint is a beacon light for the management of the Swami Devi Dyal Group of Professional Institutions.

VISION

**TO PROVIDE QUALITY & VALUE
BASED EDUCATION FOR HOLISTIC
DEVELOPMENT OF STUDENTS
CAPABLE OF MAKING VALUABLE
CONTRIBUTION TO THE SOCIETY
IN THEIR RESPECTIVE FIELDS OF
SPECIALIZATION.**

MISSION

- TO INSTILL RELEVANT PROFESSIONAL KNOWLEDGE AND HONE SKILLS IN THE CHOSEN FIELDS OF SPECIALIZATION.
- TO INCULCATE INTEGRITY, PROFESSIONAL ETHICS AND CORE HUMAN VALUES.
- TO PROVIDE CONGENIAL ENVIRONMENT CONDUCIVE TO STUDY.
- TO FULFILL SOCIAL RESPONSIBILITY IN THE AREAS OF INTEREST FOR BETTERMENT OF THE SOCIETY.

GUIDING VALUES

- INTEGRITY AND SINCERITY OF PURPOSE
- PROFESSIONAL ETHICS AND MORAL CHARACTER
- DISCIPLINE, PUNCTUALITY AND POSITIVE ATTITUDE.
- RESPECT FOR ELDERS, COMPASSION AND EMPATHY FOR ALL
- ENVIRONMENT FRIENDLY AND TOP QUALITY WORK
- INNOVATIVE APPROACH TO SOLVING THE PROBLEMS
- PARTICIPATION IN NATION BUILDING ACTIVITIES

CONSTITUENT COLLEGES OF SDDGPI ARE COMMITTED TO PROVIDE A HEALTHY DYNAMIC TEACHING - LEARNING ENVIRONMENT AND CONTINUALLY IMPROVE FACILITIES FOR OUR YOUNG STUDENTS TO ACHIEVE ACADEMIC EXCELLENCE AND FULL EMPLOYABILITY AS WORLD CLASS PROFESSIONALS.

HONOURS AND AWARDS

BEST GROUP OF INSTITUTIONS

Swami Devi Dyal Group of Professional Institutions was conferred with **"Best Group of Professional Education in Northern Region"** by Worldwide Achievers and **India Today Group** on March 27, 2018. The award was received by the President of the Group "Mr. Ashok Jindal", Vice President "Mr. Moti Lal Jindal" and General Secretary "Mr. Amit Jindal". The award was given away in the presence of Rajya Sabha MP Shri C.P. Thakur, Shri Purushottam Rupalaji and Padam Bhushan Awardee, Film Actress, Mrs. Sharmila Tagore.

ACADEMY EXCELLENCE AWARD

Academy Excellence Award (Education) was conferred by Hon'ble Dr. Satya Narayan, MP & Chairman of Parliament Committee (HRD), and Hon'ble Sh. Kirti Solanki, MP in a special function held at Hotel Hyatt Regency, New Delhi.

SAKSHARTA-2017

His Excellency, Prof. Kaptan Singh Solanki, Governor Punjab and Haryana, and Administrator Chandigarh has honoured Er. Moti Lal Jindal on Saksharta Program, organized by Bharat Vikas Parishad, Chandigarh

MESSAGE FROM THE PRESIDENT

**EDUCATION IS THE
MOST POWERFUL
WEAPON WHICH
YOU CAN USE TO
CHANGE THE
WORLD.**

-Nelson Mandela

It is an honor and a privilege to be at the helm of affairs at Swami Devi Dyal Group of Professional Institutions. The Group that stands for excellence and continuously sets the highest standards, the Group that has given this country many distinguished personalities and leaders in diverse fields and the Group of which all its alumni are very fond & look back to with sweet memories, caters to more than 5000 students in the diverse areas of Engineering, Computer Science, Management, Dental Sciences, Pharmacy, Nursing and Education. This Group is considered amongst the best and most sought after in this region. We at SDDGPI aim to equip the students with the necessary knowledge, skills, and attitudes to achieve their goals and deal effectively with the real-life situations later. We aim to establish bench marks in academic excellence and holistic grooming to help our students to meet the career challenges in the increasingly globalized economic conditions. SDDGPI has been continuously increasing its association with the Industry and Research Organizations to share the expertise and experience amongst them. Experts from industry are regularly invited to deliver talks on special topics and guide the students in their project development, which may find direct application in the industry. Students are also exposed to industrial culture through regular industrial attachments of 6 to 8 weeks and arranging visits for the students to the companies.

Beautifully landscaped and aesthetically designed, the Campus has spread over an area of more than 70 acres, having administrative block, Academic blocks, Auditorium, Computer centre, spacious Canteen, Hostels, Faculty Quarters and a Temple. The Institutions presently offer professional courses of M.Tech, B.Tech, MDS, BDS, MBA, BBA, M.Ed., B.Ed., B. Pharma, LLB, BA-LLB, B.Sc. Nursing, GNM, ANM, Diploma Engineering & D.Pharmacy. On behalf of the Group, I deem it a great privilege to invite you in various programs offered and I am sure that you will be elated that you took the right decision for shaping your career.

Ashok Jindal
President

MESSAGE FROM THE VICE PRESIDENT

**DEVELOP A PASSION
FOR LEARNING. IF
YOU DO, YOU WILL
NEVER CEASE TO
GROW**

-Anthony J. D'Angelo

Swami Devi Dyal Group of Professional Institutions is ideally located near the foot hills of famous Shivalik Ranges of Mountains, situated in more than 70 acres sprawling campus, astride NH-73 and is about 30 kms each from the City Beautiful Chandigarh and Ambala which has a prominent railway junction of Northern India. With the establishment of the first Institute - an Engineering College in the year 2001, the group has expanded its academic activities in the fields of Engineering, Dental Sciences, Management, Law, Education, Pharmacy, Nursing etc. and managing 10 colleges at present. State-of-the-Art Smart & Digital Classrooms, Labs, Workshops, Libraries and a fully Wi-Fi Campus enable the students to hone their professional skills and get hands-on Practical Experience. Outdoor and indoor Sports facilities for almost all the games and sports have been provided within the Campus for the recreation of the students during their leisure time.

At Swami Devi Dyal Campus, we aim at transforming our students from being first class students into astute thought leaders ready to take up the challenges of the Corporate World. With this aim in mind, we provide our students with plethora of opportunities to develop essential skills, aptitudes and attitudes. In doing so, we are not in competition with anyone else, ourselves for promoting excellence and innovation in imparting Quality Education. Our abiding faith has always been in excellence and exquisiteness. Qualified faculty, Innovative pedagogy, Personality development programmes and Regular industry interaction backed by strong practical inputs raise us above the rest. We feel proud in sharing that our pass-outs are rated high and well accepted in the corporate sectors as well as government organizations.

Finally, a warm welcome to all the budding professionals to our wonderful temple of learning and we are sure that the combined efforts will enable to turn the raw stones into shining diamonds during your stay with us.

Er. Moti Lal Jindal
Vice President

MESSAGE FROM THE GENERAL SECRETARY

**LIVE AS IF YOU
WERE TO DIE
TOMORROW.
LEARN AS IF YOU
WERE TO LIVE
FOREVER**

- Mahatma Gandhi

Swami Devi Dyal Group of Professional Institutions, managed by Swami Devi Dyal Hi-Tech Education Academy (Registered under Haryana State Society Act), was established in the year 2000 with the sole purpose of spreading knowledge in the domain of professional education. The mission of producing quality professionals in the fields of Engineering, Dental Sciences, Nursing, Management, Law, Pharmacy and Education is being achieved consistently. All the 10 Institutions are duly approved by statutory bodies like AICTE, DCI, INC, PCI, NCTE, HNRC and affiliated to State Govt., Kurukshetra University, Kurukshetra and Pt. B.D. Sharma University of Health Sciences, Rohtak. In today's global scenario, students entering the professional careers not only require the knowledge and competencies specific to their fields of specialization but need to have generic skills, such as Problem solving, Communication skills, Interpersonal relations, Motivation for lifelong learning, Entrepreneurship, Awareness of quality and Environment issues etc., as well for making use of all opportunities. And we at SDDGPI are providing passion, resilience and leadership qualities amongst students for development of a versatile personality.

The Group has a Training and Placement Cell, which is looked after by a very dedicated team. All eligible passed out graduates and postgraduates have been placed in the most prestigious organizations within the country and abroad. The Cultural, Sports and other Co-curricular activities are held as annual events in which students participate in a big way.

I extend a hearty welcome to all the young aspirants who are keen to be a part of the Happy Family and assure them of our best support in fulfilling their cherished dreams by exploring their full potential instinctually as well as socially.

Amit Jindal
General Secretary

ABOUT THE SOCIETY & INSTITUTIONS

SOCIETY

Swami Devi Dyal Hi-Tech Education Academy, registered under Haryana State Society Act, was established in the Year 2000 by highly acclaimed industrialists and academicians with the sole purpose of spreading knowledge in the domain of professional education so as to provide tailor made professionals to the industry, keeping the specific requirements in mind.

The mission of producing quality professionals in the field of Engineering, Dental Sciences, Computer Applications, Nursing, Management, Law, Pharmacy and Education is being achieved consistently with distinction.

SWAMI DEVI DYAL GROUP OF PROFESSIONAL INSTITUTIONS IS SURROUNDED BY NATURAL GREEN HABITAT. CALM AND SERENE SURROUNDINGS ADD TO ITS ULTRA MODERN AMENITIES, ARCHITECTURAL DESIGN AND ITS STRUCTURAL CONSIDERATIONS.

S

INSTITUTIONS

Swami Devi Dyal Group of Professional Institutions is ideally located near the foot hills of famous Shivalik Ranges of Mountains, situated in a 70 Acre sprawling campus astride NH 73 and is about 30 Kms each from **City Beautiful Chandigarh** and **Ambala**, which is a prominent railway junction of Northern India.

The campus is beautifully landscaped and the buildings of all the Institutes are aesthetically designed to provide the most congenial academic environment to the students.

State of the Art Smart & Digital Class Rooms, labs, workshops, libraries and a fully wi-fi campus enable the students to hone their professional skills and get a hands-on practical experience.

AC and Non-AC Hostels for the boys and girls provide the much needed homely comfort to the students. **Outdoor and indoor sports facilities** for almost all the games and sports have been provided within the campus for the recreation of the students during their leisure time.

The architecture of the campus is unique in terms of the positioning of various blocks including Administrative Block, Academic Blocks, Faculty House, Auditorium, Computer Center, Power Backups, spacious Canteen and a Temple. The institutions presently offer M.Tech., B.Tech., MBA, BBA, MDS, BDS, M.Ed., B.Ed., B.Pharm, LLB, BA-LLB, GNM, ANM and B.Sc. Nursing courses.

The Diploma courses in Engineering, Pharmacy, Dental and Education are also offered in the campus. The latest and ultra modern equipments are installed in various institutes. The computer center is located in centrally airconditioned IT Block with the latest computer systems and licensed software. The whole campus is networked. High speed 1:1 RF connectivity, Internet Facility having a bandwidth of 20 Mbps is available for the students round the clock. The libraries are fully computerized and are equipped with latest books. The complete set of International and National Journals are also subscribed.

ABOUT THE AFFILIATING UNIVERSITIES

The Technical and Professional Courses leading to M.Tech., B.Tech., MBA, M.Ed., B.Ed., BBA and Law Degrees are affiliated to Kurukshetra University, Kurukshetra, which is an A* Grade, NAAC accredited University of the country.

The Medical and Paramedical programs leading to MDS, BDS, B.Pharmacy and B.Sc. Nursing are affiliated to Pt. B.D. Sharma University of Health Sciences, Rohtak A grade NAAC accredited, which is the only university in the State of Haryana for Medical and Paramedical courses. Both these Universities are amongst the most prestigious and renowned Universities of the country with Multi Disciplinary Education programs for imparting the best education.

All the institutions of the Society follow the norms and standards set for Technical, Medical and Professional Education in the country by the statutory bodies. These institutions are duly approved by All India Council for Technical Education, New Delhi; Govt. of Haryana; Dental Council of India, New Delhi and Ministry of Health, Govt. of India; National Council of Teacher Education; Bar Council of India; Indian Nursing Council and Director of Technical Education, Govt. of Haryana. The Diploma courses are approved & affiliated to Directorate of Technical Education, Haryana; GNM and ANM courses by Haryana State Nursing Council and D.Ed. by the State Council of Educational Research and Training (SCERT).

SWAMI DEVI DYAL
INSTITUTE OF ENGINEERING AND TECHNOLOGY

- Approved & Recognised by AICTE, New Delhi
- Directorate of Technical Education, Haryana
- Affiliated to Kurukshetra University, Kurukshetra (A+ Grade NACC Accredited)

SDDIET, established in the Year 2001, happens to be one of the oldest and highly reputed Engineering Institutions of Haryana. The Institute has been awarded the International Quality Standards Certificate, ISO 9001:2008 based on its conformance to International Quality Standards in the field of Professional Education.

Dr. Rahul Malhotra did Bachelor of Engineering from Amravati University Amravati. He did Masters of Technology in Electronics and Communication Engineering from IK Gujral Punjab Technical University Jalandhar and Doctorate of Philosophy in the faculty of Engineering and Technology from Punjab Technical University in collaboration with Thapar University Patiala. His area of research includes Evolutionary Computing Techniques, Wireless Communication systems. He started his professional career from HCL Technologies Bangalore and later he shifted to technical education industry. He has served as teaching faculty in Electronics and Communication Engineering and worked as Campus Director Principal since the Year 2012.

He specializes in Wireless Adhoc Networks, Fuzzy Logic, Neural Network and Optimization. He has published more than 110 research papers in National and International Journals of repute. He has guided more than 85 research thesis at Masters' level and completed 04 Doctoral level of Research. He is a Fellow Member of Institution of Engineers, Calcutta, Institution of Electronics and Telecommunication Engineering, New Delhi and senior member of CSI and ISTE.

Dr. Rahul Malhotra
Director Principal

Electronics & Communication Engineering	18
Computer Science and Engineering	18
Mechanical Engineering	18
Civil Engineering	18
Electrical Engineering	18

S D D I E T

ELIGIBILITY CRITERIA

B.TECH.

- Passed 10+2 examination with Physics, Chemistry, Maths and English
- Obtained at least 45% marks in the aggregate of Physics, Chemistry and Mathematics (42.75% for the reserve category candidates) in the Qualifying Examination.

Lateral Entry 3 yrs.

- Passed 3yrs. diploma examination with at least 45% marks (40% in csse of reserved category Haryana) or
- Passed B.Sc. degree from a recognized university with at least 45% marks.

M.TECH

- Bachelor's Degree or equivalent in the relevant discipline.
- Obtained at least 50 % marks (47.5% in case of reserved category candidates) in the Qualifying Examination.

DEPARTMENT OF APPLIED SCIENCES

The department of Applied Sciences is established with the aim of enriching forth coming engineers with profound academic base. It focusses on enabling student to analyse and to tackle the situation of their professional life. The department prepares students for core engineering branches by educating them in the important domains of sciences like physics, chemistry, mathematics.

The ever-flowing zeal of excellence, adaptability and flexibility are the key success factors of the departments & maintain the unbeatable cordial environment for the growth of their young minds.

Along with academic and technical excellence, the department also focuses on instilling intrinsic values with the help of courses such as human value. Faculty members help the students to participate actively in different activities related to their development and growth.

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering focuses on design of Steel structures, concrete Structures, Soil mechanics, Water resource Management, Highway and Transportation Engineering and Environment through study of subjects such as Structural Analysis, Design of concrete and steel structures, Water supply and treatment, Hydrology, Irrigation Engineering, Geotechnology and Environmental Engineering, Geosynthetics Engineering and Design of Reinforced structures & Steel Structures on STAAD PRO -Software.

The students of Civil Engineering get placement in Central and State Govt. Departments Railway, Military Engineering services, Border Road Organization, Pubic Health, Irrigation. In addition, the students can be placed in big construction companies such as DLF, OMAXE, Unitech, MRMGF, Ansals etc.

DEPARTMENT OF COMPUTER SCIENCE ENGINEERING

With the globalization of the Indian economy vast opportunities of growth have been thrown open for the computer software and hardware industry. Software being one of the largest growing sectors of Indian economy, Department of computer science and engineering at the SDDIET has been at the forefront of churning out software engineers with a high calibre of technical expertise. It continues to foster and engender the innovation and breadth of vision necessary to excel in the blooming software industry. The teaching program has been devised keeping in view close interaction with industry. The number of recruiting companies has multiplied many folds in last few years. The few alumni of the department are offering their expertise in the US with companies like Microsoft, Seagate etc. The department has excellent computing facilities which include robotic lab, machine learning lab, artificial intelligence system, cyber security and data science etc.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Electronics and communication engineering focuses on research design development and evaluation of various electronic equipment's device circuit etc. Course offer series of theoretical and practical sessions where students imbibe the postulate of field and learn how to implement them in the real world.

Opportunities are enormous for electronics and communication engineers as they are employed in variety of sectors such as Indian telephone industries, Civil Aviation development centres in various states, defence, NPL, Railways, Bharat Electronics Limited, D. R. D.O. telecommunications, software engineer power sector hardware manufacturing, home appliances and VLSI design, television industry, research and development.

DEPARTMENT OF ELECTRICAL ENGINEERING

Electrical Engineering focuses on the applications of electricity, electronics and electromagnetism. Trained electrical engineers design electric circuits and equipment. They work on large power plants as well in small hardware companies which includes designing, manufacturing and operating power plants, industrial machinery, electrical motors, computer chips and ignition systems for automobiles, aircrafts, space crafts and all kinds of engines.

It covers a wide range of sub-fields including electronics, digital computers, power engineering, telecommunications, control systems, RF engineering, and signal processing.

DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical engineering is the branch of engineering which deals with the design, manufacturing, maintenance and testing of machines. It is also considered as one of the most diverse and versatile disciplines of engineering with technology making new advancements. There are several new domains in mechanical engineering which are being taken up by passionate engineers.

The department of mechanical engineering offers exciting opportunities to expand the intellectual horizon through distinguished lecture series from academia experts and industrial personnel.

SWAMI DEVI DYAL HOSPITAL AND DENTAL COLLEGE

- Approved & Recognized by DCI & Ministry of Health & Family Welfare, Govt. of India
- Affiliated to Pandit Bhagwat Dayal Sharma University of Health Sciences, Rohtak ('A' Grade by NAAC Accredited)

OUR MISSION

- To develop the Institution into a "Temple of Learning".
- To attain Excellence in Health Care Delivery.
- To develop Quality Professionals with Integrity, Credibility and Ethical Conscience.
- To blend and apply Research and clinical Acumen.
- To reach out to the community with a Motto "Service to Humanity".

The Institution is having its own 100 bed modern multi-speciality Hospital, which is providing free medical care (outdoor and indoor) to the Rural population of the surrounding areas. This Hospital is attached with Swami Devi Dyal Hospital and Dental College for teaching purposes. The hospital is well equipped with ultra modern/latest equipment and all other facilities.

Swami Devi Dyal Hospital & Dental College was established in 2004 with intake of 100 students in BDS Course. The Govt. of India and Dental Council of India has granted permission to start MDS in nine specialties with 3 seats each. The institute is committed to provide the best education and inculcate personal qualities among the students. The college has an excellent infrastructure and has well equipped departments and laboratories serving the needs of both patients and students.

The Library has a collection of variety of Books and Journals for use by the Faculty and the Students. The campus is Wi-Fi enabled and provides Hi-Speed 1:1 RF connectivity Internet facility having a bandwidth of 16 Mbps. The Institute is approved and recognized by Haryana State Government.

It gives me immense pleasure to convey my best wishes to all of you. SDDHDC is one of the premier institutions in the field of dentistry in India and has reputation for attracting the best students. It is a matter of great pride that the college has made consistent progress year after year in academics and co-curricular activities apart from providing the 'State of art facility' for patient care. The co-operation and help rendered by the faculty and administrative staff have been commendable. I am highly appreciative of the endeavors of the staff/ students. Our endeavor is to produce dental professional/s of the highest quality who are self-disciplined, honest and morally sound. As a result a good strength of our students excel in various competitions in India and abroad to successfully establish themselves as good academicians and dental professionals. "But I have promises to keep and miles to go before I sleep". This has been the inspiration for me all through my association with SDDHDC. Exploring new horizons and reaching the zenith is my dream for SDDHDC. I look forward to a future where SDDHDC is not one of the best but "THE BEST".

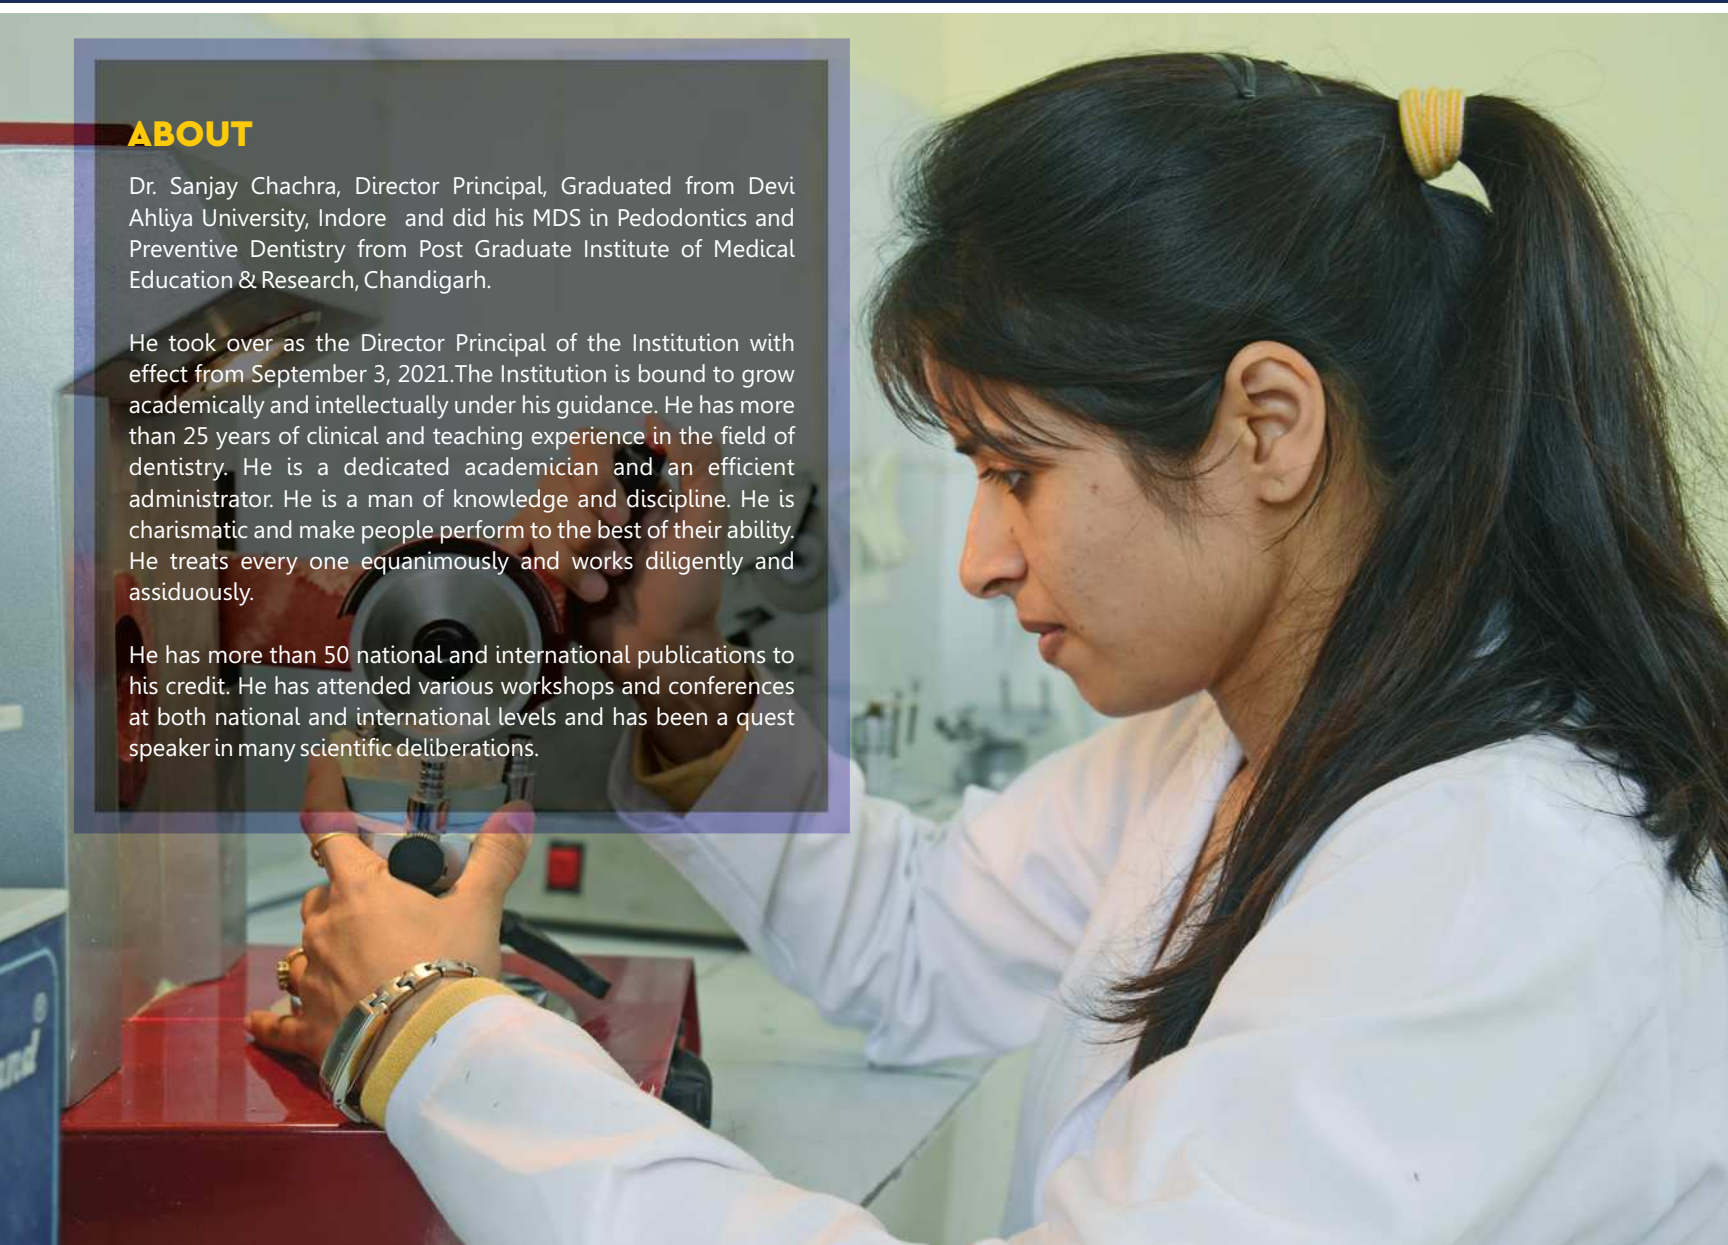

Dr. Sanjay Chachra
Director Principal

ABOUT

Dr. Sanjay Chachra, Director Principal, Graduated from Devi Ahliya University, Indore and did his MDS in Pedodontics and Preventive Dentistry from Post Graduate Institute of Medical Education & Research, Chandigarh.

He took over as the Director Principal of the Institution with effect from September 3, 2021. The Institution is bound to grow academically and intellectually under his guidance. He has more than 25 years of clinical and teaching experience in the field of dentistry. He is a dedicated academician and an efficient administrator. He is a man of knowledge and discipline. He is charismatic and make people perform to the best of their ability. He treats every one equanimously and works diligently and assiduously.

He has more than 50 national and international publications to his credit. He has attended various workshops and conferences at both national and international levels and has been a guest speaker in many scientific deliberations.

DURATION

3 Years

ELIGIBILITY

A candidate for admission to MDS course (Master of Dental Surgery) must have recognized degree of BDS (Bachelor of Dental Surgery) awarded by Indian University in respect of recognized Dental College under section 10(2) of the Dentist Act 1948 or an equivalent qualification recognized by the Dental Council of India and should have obtained permanent registration with the State Dental Council. Obtained at least 50% marks in the qualifying examination i.e. BDS.

FEE STRUCTURE

Tuition fee including Development Charges
Rs 6.85 lacs (annual fee)

BDS – Admission and Eligibility for BDS Program

DURATION

5 Years

ELIGIBILITY

(A) He/She will attain the age of 17 years or more on 31st December (CY).

(B) The candidate must have passed Senior School Certificate Examination (10+2) of Board of School Education, Haryana or an examination recognized as equivalent thereto with at least 50% marks in Physics, Chemistry, Biology taken together both at qualifying and competitive examination and must have passed in the subjects of Physics, Chemistry, Biology and English individually in the qualifying examination.

Further admission to BDS course shall be made on the basis of relative merit in the NEET-BDS conducted by the Authority notified by Government of India.

FEE STRUCTURE

Tuition fee including Development Charges
Rs 2.80 lacs (annual fee)

Dental Hygienist Diploma

ELIGIBILITY & ADMISSION CRITERION

DCI has granted approval vide their letter no. DE-9 (97)-2011/B-3946 dated 1st November, 2011 for starting 2 year Dental Hygienist Diploma course with an intake of 10 seats.

DURATION

2 Years

ELIGIBILITY

(i) A candidate should be at least 17 years of age at the time of admission or within 3 months of it and should be medically fit to pursue the course.

(ii) The candidate must have passed 10+2 or two years intermediate or equivalent course with science subjects (Physics, Chemistry, Biology) from a recognized Indian University or Pre-University/Intermediate Board.

The College has an independent Administrative block and multistoried College block and Hospital section, which accommodates different laboratories, Seminars rooms, Demonstration rooms, Departmental libraries, Museums, Research laboratories, Lecture theatres fitted with Audiovisual systems. There is a central library having capacity to accommodate sufficient students at a time and has facilities like Internet, Multimedia Projections and current National and International Journals.

SWAMI DEVI DYAL COLLEGE OF LAW

- Approved by Bar Council of India (BCI), New Delhi
- Affiliated to Kurukshetra University, Kurukshetra (A+ Grade NACC Accredited)

Introduction

Swami Devi Dyal Law College started functioning in the Year 2007-2008. The College is approved by Bar Council of India and is affiliated by Kurukshetra University, Kurukshetra. The ambience and serenity of the Law College provides a healthy environment for the studies. The College has highly qualified, experienced and vibrant teaching faculty which provides an excellent blend of rigor and relevance in teaching. Students touch the lives of wide cross section of the society by visiting old age home and villages. Students and faculty actively participate in outreach programmes where they contribute their knowledge and provide technical expertise to community by visiting the schools and colleges. College encourages and propels graduates to imbibe the qualities of leadership and thereby instills in them a high level of trust and confidence. Extensive interactions with legal luminaries (Judges/Advocates/Professors) is done.

Regular visits are organized to the High Court and District Courts. Moot Courts and debates are conducted by qualified teachers and advocates to enhance the legal aptitude of law students. Through the determined strategic and committed efforts, we are building the career of law students by providing plethora of co- curricular activities in conjunction with practical aspects.

Principal and Dean

Dr. Richa Ranjan, B.A., LL.B.(Hons.),LL.M. , Ph.D. (M.D.University , Rohtak), Diploma in Labour Laws, Post Graduate Diploma in Human Rights and Certificate Course in Negligence and Laws, has been heading Swami Devi Dyal Law College for the last commendable Years and has 29 years of relevant experience in legal field. She has got highly acclaimed academic and administrative credentials. She is passionate about providing education to every class of society and has played significant role in helping the students develop essential transferable skills and many indispensable as well as commendable personal qualities, armed with strength and dignity. She always speaks with wisdom and delivers faithful instructions to students and faculty. She has supervised research leading to LL.M. and Ph.D. Degrees. She has published numerous research papers in legal journals of National and International repute. She has been a team leader throughout her professional career by organizing various co- curricular activities like Legal Aid Clinics, Mock Parliament, Moot Courts etc. and always inspired students to go for legal aid camps and workshops in rural areas.

Prof. (Dr.) Richa Ranjan
Principal and Dean

INFRASTRUCTURE/ FACILITIES

Legal Aid Clinic

College has its own Legal Aid Clinic. The Legal Aid Clinic is conducted by students and faculty members in Collaboration with District Legal Service Authority, Panchkula. Judges and advocates from DLSA provide training to our Law students so as to facilitate their services for legal aid in field work. In association with DLSA, College after every six months, participates in Legal Aid Camp at Mansa Devi Temple during Navratras for nine days.

In collaboration with DLSA, our college keeps on organizing Legal Aid Camps in nearby villages to impart basic legal knowledge to villagers. Students excel themselves by doing skits on social-issues in villages and on other platforms. The events organized by the college, are in true sense, an effort by the college to reform the society and it is also providing an opportunity to law students to render their participatory support.

CAREER AND PLACEMENT CELL

FROM THE DESK OF TRAINING AND PLACEMENT OFFICER

SDDGPI Placement & Industry Interaction Cell is headed by the Training and Placement Officer Ms. Deepika Pundir guided by the Director-Principal of the different Institutes and assisted by the Student Placement Coordinators. The Cell takes up the role of facilitator between potential employers and students. It ensures that the students get information on companies and sectors of their interest. The Cell organizes certain orientation programmes, grooming sessions, mock interview sessions for students of each stream. Besides, the Cell organizes various summer internship programmes for students to provide them with hands-on experience and introducing them to the professional environment.

It is heartening to state that reputed industries across the country visit our college regularly for campus recruitment. Today, we have a strong alumni base with presence in almost every major company of corporate world. We have always fulfilled the expectations of our recruiters and hope to give our best this year also.

TRAINING

Students undergo a mandatory internship in leading organizations as a part of their curriculum. This enables them to get exposure intackling live problems that occur in the working of an individual entity. These internships, along with various industrial visits keep the students informed about latest industrial trends.

PLACEMENTS

All the reputed organizations including MNCs come to the College for campus recruitment. To achieve its goal, the CPC works towards recognizing the core competencies of students, through a close knit organization and has a structure which conveys information to the students at the fastest possible rate.

Testimonials of Corporate Leaders

Few days back we got an opportunity to interact with students of SDDGPI, the experience was awesome. The curiosity we saw in the eyes of students and urge of learning was tremendous. Feels good to see the future of these students is in the safe hands.

Summit Madaan

Director Kaizen Consultants

It's the passion of an educational institute towards imparting latest knowledge to its students that makes it stand apart. Swami Devi Dyal Group of institutes clearly has this passion which is reflected through its staff & educationists.

Param Kalra

Founder- Starthub Nation Founder-
Satnam Infosys

I really appreciate TnP Cell of Swami Devi Dyal Group of Professional Institutions taking initiatives to connect students with industry by holding various industry talks and visits. This not only makes student aware about latest technologies but also motivates them to learn more to reach new heights.

Puneet Jindal

Chief Data Scientist, Eduwaive Foundation

Being part of the Swami Devi Dyal Group of Professional Institutes (SDDGPI) is real satisfaction and privilege for me. Trainees are highly motivated young specialists, aspiring for new knowledge. SDDGPI gives everyone great teaching and learning experience in a very friendly atmosphere.

Gursimran Singh

Founder & Director, Institute of
Professional Banking

As we all know that Education is the passport to the future, for tomorrow belongs to those who prepare for it today. The above saying was a perfect fit when I recently visited SDDGPI College and had a prodigious deep interface with their students. Their vision and views were so clear that I could easily predict the potential they possess. It gave me an immense pleasure to see that the future is in safe hands.

Sumit Narula

HR HEAD – PAN INDIA
Spectraforce Technologies Limited

INDUSTRY INTERFACE

SDDGPI has been continuously increasing its association with the industry and research organizations to share the expertise and experience amongst them. Experts from industry are regularly invited to deliver talks on special topics and guide the students in their project development, which may find direct application to the industry. Students are also exposed to industrial culture through regular industrial attachments of 6 to 8 weeks and also arranging visits for these students to the companies.

OUR DISTINGUISHED ALUMNI

TUSHAR GOYAL

I am CEO of BLISS OVERSEAS INC, Mohali. My four years at SDDGPI have been excellent, with wonderful memories to cherish for a lifetime. The years spent here have been full of learning opportunities packed with fun and frolic along with the academic grind that one has to go through. I would like to thank the college, teaching, and non-teaching staff for transforming me into a better person and helping me to come out with flying colors.

VERSHA

I am senior web developer in TTEC, India. It was my dream to be placed in a good multi-national company. I got the motivation by entire faculty, placement cell and management of SDDGPI. They made me capable enough to take placements in good companies.

NIBHA

I got selected as a Software Developer in HCL Technologies. I spent some of the most memorable years of my Student life at SDDGPI studying Computer Science. SDDGPI offers a lot of opportunities for those willing to learn. We were taught by a dedicated and excellent batch of Professors and in addition to Classroom learning, the Industrial visits to neighboring Industries, as well as Seminars and various extra-curricular events made the learning a fruitful one!

DEEPAK KUMAR

SDDGPI has been a transformational journey for me as an individual. I have evolved into new personality and acquired skills which would help me lifelong.

OUR DISTINGUISHED ALUMNI

HITESH BHANOT

We are pleased to be a part of this institute. We have spent the most formative years of our life at SDDGPI. We become professionals by this Group. Really feel proud to become Alumnae of this Group.

CHANDAN KUMAR

My experience at SDDGPI was great and memorable. Currently I am working as an Assistant Professor in Govt. Polytechnic Bhagalpur. The faculty at SDDIET helped us enhance my academic and interpersonal skills. I am thankful to all the staff members for their guidance and coordination.

NAUKHEZ NOMANI

My bachelor degree at SDDGPI in Civil Engineering consisted of many projects based on evaluation and real world applications. The regular interaction with the Placement team also encouraged me to excel in my interview skills and developing skills that are required for future use. Today I am working in Sri Sai Construction as Senior Engineer. Thanks to the SDDGPI placement cell for their support and guidance.

SIRAJ ALI SAIYAD

I am engaged in providing Technical Support Services at State Bank of India, Nepalgunj Branch in Nepal.

Having been a student of SDDGPI is a matter of pride for me. The college provided me a lot of exposure by organizing various activities and programs, apart from the technical upbringing, that has been very helpful in charting my career. The faculty of SDDCTE is highly sincere and dedicated.

INDUSTRIAL INTERFACE - INTERACTION WITH CORPORATE MINDS

Archana Khurana Sharma

Founder Director Human Rhythms She is IIM Ahmedabad alumni, PG from Symbiosis Pune and Founder Director of Human Rhythms. She adores many hats as Woman Entrepreneur, Humanitarian, A Motivational Speaker, Corporate Trainer, Philanthropist and Reiki Healer. She was in the campus to share her views with the students.

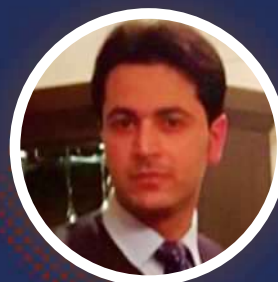

Rajinder Ghai

President AIESEC in Chandigarh. She is just 22 and represented our nation twice at AIESEC International Congress in Egypt and Asia-Pacific Leadership summit at Malasiya. She was a great motivator on the occasion.

INDUSTRY VISITS

CAMPUS Buzz

FACILITIES @ SDDGPI

LIBRARY

The SDDGPI has various institutional fully Air Conditioned e-libraries with over 40,000 books in various disciplines. The International and National journals of repute are available to meet the requirements of the institutions. E-Journals and back volume journals are also subscribed for undertaking research activities in the institute.

Computer Center

All the institutions are housing one computer center with the latest softwares and systems. The central computer center is equipped with over 500 PCs of latest configuration. All the essential licensed software for meeting the needs of the students are available.

Hostel Facilities

Separate hostels for Boys and Girls are operational in the college campus. Indoor games and round the clock security personnel are deployed for the security of students. The AC Hostels are also available for the interested students.

Transport

The management of Swami Devi Dyal Group of Professional Institutes is running a fleet of modern and comfortable buses for day scholars from Ambala, Mohali, Chandigarh, Panchkula, Pinjore, Kalka and Naraingarh and other adjoining areas.

ATM

Punjab National Bank has been operating a 24 hour ATM facility inside the college campus. All the students and staff are utilizing these facilities. Hostel students can use the ATM at any time. Parents can also transfer money to their children's account.

Stand by Power Supply

A set of six generators with 500 KVA and 250 KVA capacity provides 24 hours uninterrupted power supply to the whole campus.

Sports Facilities

A Stadium, playgrounds and other infrastructure for the outdoor games i.e. basketball, volleyball, football, cricket, lawn tennis and badminton are available in the campus. Apart from this the facilities for indoor games, gym and billiards are also available. The sports and athletics meet is held every year in the Campus.

RO Water

The institution has many high capacity RO plants to provide safe drinking water to the college and hostel students. Hot water is also made available round the clock during winter months.

Accidental Risk Coverage

The trust has introduced accidental risk coverage for all the students at the cost of management.

Extra Curricular Activities

The institutions have set up various societies catering for different types of extra curricular activities for the students who may want to participate in them. The Cultural Societies, Literary Society etc. have been formed so as to provide the students with an institutional support for developing their special skills culminating into fuller expression of their personalities. Debates, seminars, rangoli competitions, musical and cultural events etc. are also an integral component with campus, in addition to the studies.

Internet Facility (Wi-Fi Campus)

The college is equipped with 20 Mbps 1:1 leased line provided by Reliance /Vodafone. The internet connection is distributed across the college through LAN and Wi-Fi network. The college and hostels have 24 hours uninterrupted internet connection.

FACILITIES@SDDGPI

LIFE @ SDDGPI

GENERAL CONDUCT RULES FOR STUDENTS @SDDGPI

Ragging Constitutes

- Asking any student to do any act which a fresher or a junior student will not in the ordinary course do and which has the effect of causing/generating sense of shame or torture or embarrassment so as to adversely affect the physique or psyche of a fresher or any other student. Asking for introduction from a fresher shall be considered as ragging.
- Any conduct by any student or students whether by words spoken or written, by an act which has the effect of teasing, treating or handling with rudeness, which causes psychological harm or raises fear or apprehension in a fresher or a junior student.
- Any act of physical abuse, including all variants of it e.g. sexual abuse, forcing obscene and lewd acts or gestures causing bodily and mental harm or any other danger to the health of any junior student.

Punishments by Institute/University

- Expulsion from the institution and consequent debarment from admission to any other institution for a specified period.
- Rustication from the university for period ranging from 1 to 4 semesters.
- Suspension/expulsion from the hostel.
- Fine ranging between Rs. 25000/- to Rs. One Lakh.

1. The students at all times must conduct themselves in a disciplined manner inside the institutes and hostels. They should not do anything which hinders the study of the fellow students.
2. Strict disciplinary action shall be taken against any student who violates the discipline of the institutes and hostels.
3. No student would normally remain out of the Hostel between 9 PM to 9 AM except with specific permission of the wardens / authorities.
4. No student should keep any unauthorized person in his / her room. If a student is found having any person in his / her room, strict disciplinary proceedings shall be initiated against the student.
5. Every student shall have to fulfill the prescribed percentage of attendance, failing which he / she will not be allowed to sit in the university examination.
6. Students are advised not to break or spoil the furniture or laboratory equipments. Anybody found guilty shall be penalized.
7. No student is allowed to bring Hard Disk/ DVD/ Pen Drive in the computer labs. Any student violating the rules shall be fined and the item will be confiscated.
8. The parents of the girl students would provide the name and relationship of the local guardian at the time of admission. No person, other than these names, shall be allowed to see the girl students in the hostel during the meeting time. All the girl students shall be required to be indoors after 7.30 PM. The attendance of the hostellers will be marked by the warden of the hostel.
9. Drinking and smoking is prohibited in the campus.
10. Using electrical gadgets in the hostel room is strictly prohibited.
11. Any point not covered under these rules shall be decided by the Principal / Chairman, on as required basis.
12. The Management reserves the right to amend / add any rule.
