# TABLE OF CONTENTS

# **Welcome to 13th African Games Accra 2023**

# Welcome

The 13th African Games will be held in Ghana from 8th to 23rd March 2023. The Games will witness exciting contests involving over Five Thousand (5000) elite athletes, coaches, and team officials from fifty-four (54) African countries in twenty-nine (29) selected sports disciplines.

The transport committee is strategically positioned to provide transport services to all categories of participants in the games. In providing transport services to all participants, the Local Organizing Committee (LOC) envisage to offer sustainable, smooth, safe, efficient, and reliable transportation system.

It is the mission of the LOC to ensure that transport at the 13th African Games is suitable for all participants: Athletes, Team Officials, Dignitaries, Technical Officials, Volunteers, Media, and guests involved in the Games.

Over Three Hundred and Thirty-Two (332) fleet of vehicles shall be available and at the service of participants.

The official transport Management Operation-TMO will start on the 25th of February 2024.

## **Akwaaba!**

# How to use the Handbook

This transport guide gives an overview of the TA system and other related transport services.

Athletes and Team Officials have the right to use the Athletes' and Team Officials' Transport (TA) system, which is designed to support their work requirements, during the Games time and during the period from their entry into and departure from Ghana.

The guide is useful for planning travel during your stay and provides content related to a wide range of transport options, such as the Arrivals and Departures Transport Services, transport services between competition venues and non-competition venues for each sport, ceremony transport services and public transport services (TP service) as well as instructions on how to use the transport app.

It contains general information to help movement of participants from one venue to another and getting used to the Games, as well as the transport facilities available.

The bus timetable and other information will be made available on the transport app.

# TRANSPORT ACCESS

# TRANSPORT ACCESS BY CATEGORY

During the African Games, it is important to ensure that transport access is categorized based on the needs of the event.

This involves identifying the different categories of people attending the event, such as athletes, officials, VIPs, and spectators, and providing appropriate transport options for each category.

## Games Transport Operations

- B. 1.** Providing transportation services considering the arrival and departure schedules by country
- B. 2.** Shuttle operation according to training and competition schedule by athletes' village and stadium
- B. 3.** Separate transportation measures according to official events (opening and closing ceremonies) (including spectators)
- B. 3.** Provide appropriate vehicles by competition participation classification. (Chef De Mission, NOC representative – T1 vehicle provision)
- B. 4.** Prepare for emergency situations by securing spare vehicles.
- B. 5.** Implementation of pre-training on the safety of vehicle drivers, moving section of the stadium, and movement lines
- C.** Operational Overview
- C.1.** Duration: 2024. 3. 1(Fri) – 3. 26(Tue)/26Days – duration of games: 2024. 3. 8(Fri) – 3.23(Sat)/15Days
- D.** Comprehensive Insurance for all the vehicles
- E.** The vehicle age (model year of the vehicle should not exceed 2017)
- F.** There shall be special numbering of the vehicles purposely for the African games (AG- 1- 24).
- G.** Vehicle maintenance shall be the sole responsibility of the service provider.
- H.** Provide drivers who posse a minimum license C category and not less than 10 years driving experience.

# FLEET

## DEDICATED TO THE GAMES

A fleet of dedicated vehicles will be available for the Games, including buses and cars. The vehicles will be specially designed and equipped to meet the needs of the Games.

The vehicles will be regularly maintained and inspected to ensure their safety and reliability.

The transport service will be provided by experienced drivers who are familiar with the roads and traffic conditions in Accra.

# QUOTAS FOR VEHICLES BY DELEGATION

Each delegation will be allocated a specific quota of vehicles based on their size and needs.

The quotas will be determined based on the number of athletes, officials, and VIPs in each delegation, as well as the distance between the accommodation sites and competition venues.

Delegations can request additional vehicles subject to availability.

## OPENING AND CLOSING CEREMONIES TRANSPORT SERVICES

Special transport arrangements will be made for the opening and closing ceremonies.

Delegations will be provided with transport services to and from the ceremonies.

The transport service will operate on a fixed schedule, and delegations will be required to board the designated vehicles at the designated times.

---

The background image shows the interior of a vehicle, likely a Toyota, with a steering wheel, dashboard, and seats. A semi-transparent red box is overlaid on the center of the image, containing text. The text is white and describes the shuttle service for the 13th African Games.

# SHUTTLE SERVICE

A shuttle service will be provided to transport athletes and officials between accommodation sites and competition venues.

The shuttle service will operate on a fixed schedule and will be available throughout the Games. The shuttle service will be provided using dedicated vehicles, which will be specially designed and equipped to ensure the comfort and safety of the athletes and officials.

# PLANNING OF ARRIVALS AND DEPARTURES

Delegations will be required to provide their arrival and departure details in advance.

This information will be used to plan transport services and ensure that delegations are transported to and from their accommodation sites in a timely manner.

---

The background image shows the interior of a vehicle, specifically the driver's side. A steering wheel with the Toyota logo is visible. The dashboard features a digital display showing '10:28'. A green rectangular text box is overlaid on the center of the image, containing three paragraphs of text. The text is white and clearly legible against the green background.

## MILEAGE AND TIMER (AIRPORT – ACCOMMODATION SITES)

The mileage and timer from the airport to the accommodation sites will depend on traffic and distance.

However, transport services will be arranged to ensure that delegations arrive at their accommodation sites in a timely manner.

The transport service will be provided using dedicated vehicles, which will be specially designed and equipped to ensure the comfort and safety of the passengers.

## MILEAGE AND TIMER (HOSTING SITES – COMPETITION SITES)

The mileage and timer from hosting sites to competition venues will vary depending on traffic and distance.

However, shuttle services will be arranged to ensure that athletes and officials arrive at competition venues in a timely manner.

---

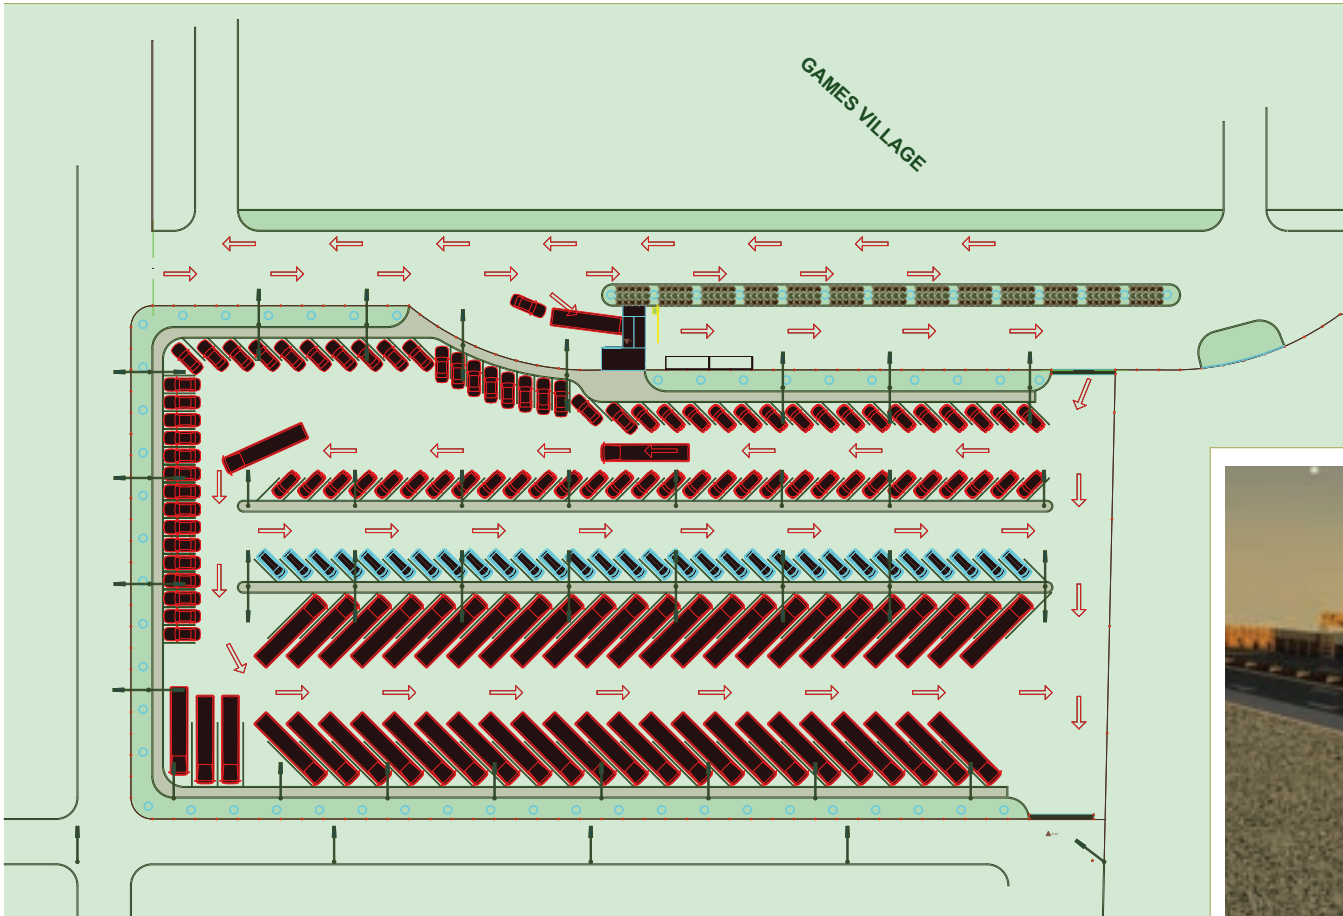

# ADDITIONAL VEHICLES AND RENTAL SERVICES

In addition to the dedicated fleet, additional vehicles will be made available for rental. These rental vehicles will be provided to delegations upon request, subject to availability.

The vehicles will be provided with insurance, and rental fees will be charged based on the type of vehicle and duration of rental.
