We've got you covered from home and décor spaces to high-impact commercial zones.

Our passion for soft flooring extends beyond carpet. The Belgotex Vinyl range adds depth to our ecosystem of quality floor surfaces.

Redefining our vinyl range meant more than an edit of our product colours and texture. The visual showcase of our trend-right vinyl ranges seeks to elevate and re-engage people with the product category at large.

B.

01

Cushion Vinyl

Ease of installation and soft acoustic benefits make this resilient vinyl range the perfect solution for high-traffic spaces.

02

Luxury Vinyl Plank

These tactile vinyl planks embody the natural allure of wood floors both in format and to the touch - true texture, maximum durability.

03

Specialised Vinyl

When an installation calls for non-slip, supremely hygienic floor solutions our range of health and safety compliant surfaces are ready to roll.

Toledo.

The unique nuances of the majestic oak tree have inspired the raw beauty of this cushion vinyl range - we've called it, Toledo.

Cushion Vinyl: Toledo

Product Information

Toledo is available in an extensive range of stylish colours and finishes, to emulate the texture of oak timbers. This truly transformative design brings a warm edge to any modern setting, offering a smooth, on trend surface.

Durable, water-resistant and convenient, Toledo is a practical flooring solution for

kitchens, bathrooms, living rooms. As with all our cushion vinyl ranges it is scratch-resistant and slip-proof too, which makes it perfect for young families – and for grandparents too!

Product Information

If you're ready to uncover the unique soul and spirit of your home, consider the Hampton range – one of the best choices in wood-look flooring solutions. You'll love the depth and diversity that it brings to your world.

You will love it for its quietness underfoot, long-wearing durability, cost-effectiveness and easy maintenance. Hampton is waterproof, really easy to clean, comfortable to walk and play on, and is offered in a wide range of patterns, designs and colourways.

Staggered Ashlar

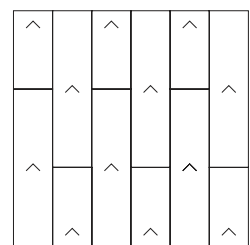

Penninsula.

Every change means new beginnings and new possibilities. So, if you want to make a change for the better, make a change to Peninsula vinyl range with its natural wood look.

Product Information

Penninsula is water-resistant and an attractive, durable and convenient flooring solution for high traffic areas in your home, like an open-plan kitchen, dining and family room area. It is available in an extensive range of finishes and based on a variety of different timbers, which give this faux wood

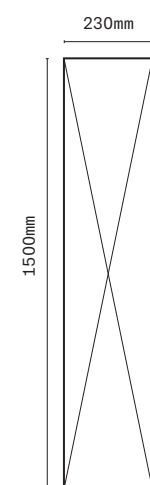

product a realistic look and feel. Choose textured planks for a more rustic appearance, or a smoother look for a more contemporary style. And the lighter colour palette fits any environment – irrespective of whether your home is traditional, modern or your own quirky, unique design.
