Jeremy Wade is a British television presenter who is best known for his show "River Monsters". He is an avid traveller and can speak Portuguese and Spanish. His estimated net worth is over \$2 million, but he is not married and has a brother named Martin. Despite having had several close calls with death, Jeremy recommends Hemingway's "The Old Man and the Sea" to aspiring fishermen. Jeremy John Wade was born on 23 March 1956 in Ipswich, Suffolk, England. He studied zoology at the University of Bristol and biological sciences at the University of Kent. His role on "River Monsters" has taken him to many countries, including South America where he learned Portuguese and Spanish. Jeremy Wade's Journey: A Look into His Life and River Monsters Success ===== Jeremy Wade is a renowned television presenter, author, and professional angler who has been entwined in the world of underwater mysteries for over two decades. As the host of the popular show "River Monsters," Jeremy has become synonymous with braving treacherous waters to catch elusive fish species. But what drives this adventurer, and how has his career led him to a net worth of over \$2 million? Net Worth and Salary With multiple book deals under his belt, including the bestselling "River Monsters" published in 2011, Jeremy's financial success is undeniable. His television show's popularity has catapulted him into a lucrative career, allowing him to accumulate substantial earnings from sales and sponsorships. Early Life and Career Before becoming a successful TV personality, Jeremy worked as a biology teacher, earning an average salary of £30,000 per year. This modest beginning laid the groundwork for his future success in the television industry. Personal Life and Travels Although Jeremy keeps his personal life private, glimpses into his family and relationships have surfaced. His father was a vicar, and he has a brother named Martin who often accompanies him on expeditions for the show. Jeremy's brushes with death, including encounters with electric eels and malaria, demonstrate that even in his line of work, danger lurks around every corner. Philosophy and Interests Jeremy draws inspiration from authors such as Ernest Hemingway, recommending "The Old Man and the Sea" to aspiring anglers. His views on fear and respect for nature are evident in his approach to fishing and exploring the world's waterways.You can verify citations on Wikipedia by searching for specific words or phrases online, browsing through the book, or checking other databases like WorldCat, Goodreads, and LibraryThing. specific book, you can start with online library catalogues. The book is available in the State Technical Library in Prague. You can also search for it at Palacký University Library in Olomouc or use the Research Library in Olomouc. Additionally, check if the book is listed on bibliotek.dk or Ester, a catalogue of ELNET libraries. You can also try searching on HelMet, the Greater Helsinki region library catalogue, or on the Helsinki University of Technology and Helsinki School of Economics library catalogues. If you're in the Pirkanmaa region, you can search for it in Piki, the public library catalogue, and then check if it's available at Tampere City Library. You can also try searching on the university libraries' online catalogues: University of Helsinki, University of Jyväskylä, University of Tampere, or University of Turku. If you're in Vaasa, you can search for it on the Vaasa City Library catalogue. You can also compare prices with Vertaa.fi and find similar books on the Catalogue général de la Bibliothèque nationale de France. You can also try searching on other European library catalogues, such as DNB - Deutsche Nationalbibliothek, GVK - Gemeinsamer Verbundkatalog, hbz-Verbundkatalog, SWB Online-Katalog, BVB BibliotheksVerbund Bayern, KOBV-Portal, HeBIS-Verbundkatalog, and Zephyr. You can also search for it in Greek Academic Libraries through Zephyr or the Library of National and Kapodistrian University of Athens. In addition, you can try searching on other international library catalogues, such as Libri Könyvkereső, Gegnir, Libraries Ireland, Dublin City Council Library, Dublin City University Library, Dublin Institute of Technology Library, National University of Ireland, Galway Library, Trinity College of Dublin Library, South Dublin County Council Library, University College Cork Boole Library, and University College Dublin Library. You can also search on the Italian library catalogue, which searches simultaneously in hundreds of Italian libraries. You can try searching for it at University of Florence, University of Pavia, or University of Pisa. If you're looking for a specific subject, you can try searching on bibnet.hu, the unified catalogue for libraries in Luxembourg. You can also search for books on Montenegrin Co-operative Online Bibliographic System & Services and the Dutch-Union Catalogue that searches simultaneously in more than 400 Dutch electronic library systems. You can also find it on the Koninklijke Bibliotheek National Library of the Netherlands, Leiden University Libraries, Maastricht University Library, Radboud University Nijmegen Library, University of Groningen Library, Utrecht University Library, and Stavanger Public Library catalogue. If you're looking for a specific book in Eastern Europe, you can try searching on the catalogues of PORBASE (National Bibliographic Database of Portuguese libraries) or get its record from the URN:PORBASE.org service. You can also search for it in the Romanian Library Union Catalog, Central University Library of Bucharest, and Central University Library of Cluj-Napoca. Finally, you can try searching on the Eugen Todoran catalog to find the book you're looking for.Looking for a book? Try searching in various libraries and online platforms. ===== Searching for a book can be challenging, but there are many resources available to help you find it. Start by checking the catalogues of major universities and research institutions, such as the Central University Library of Iași, the Central Library of Politehnica University of Timisoara, and the Russian State Library. You can also search online platforms like National Electronic Library (H36), which provides access to a vast collection of digital books. Additionally, you can try searching on Serbian Co-operative Online Bibliographic System & Services, Slovenian Co-operative Online Bibliographic System & Services, or Catalan universities catalogue for a wider range of options. Another option is to search in national catalogues like LIBRIS, Chalmers University of Technology library catalogue, and Helveticat, the catalogue of the Swiss National Library. You can also try searching on online platforms like Library Hub Discover, which aggregates books from many libraries and institutions across the UK. If you're looking for a specific book, you can also try searching using ISBN or visiting online marketplaces like AbeBooks, Addall, Alibris, Biblio.com, or Bookshop. These websites allow you to search the catalogs of multiple book sellers and find rare or out-of-print books. Remember to always check the credibility and accuracy of the sources you're searching on, and don't hesitate to reach out to librarians or experts for help when needed. You can find this book on various online platforms, including IndieBound, NiceBooks.com, and Amazon.com. It's also available on Barnes & Noble, Better World Books, and Half Price Books. In addition to these sources, you can try searching for the book on eBay, Fishpond (Australia and New Zealand), Flipkart (Singapore), Livraria Cultura (Brazil), MPH Bookstore Malaysia, National Book Store of the Philippines, Powell's Books, Rakuten Books, Rediff.com (India), Strand Bookstore (used - NYC), ThriftBooks, Waterstones (UK), Wipf and Stock (US), BookCrossing.com, BookMooch.com, inventaire.io, and PaperBackSwap.com. If you're looking for the book in a language other than English, consider visiting the equivalent pages on other Wikipedia's linked below. These pages may have sources more relevant to your needs. You can also use online tools like Google books to find other editions of the book or related works. To convert between 10 and 13-digit ISBNs, try using these online tools: ISBN converter at ISBN.org or ISBN converter (with optional hyphenation after conversion) at the Library of Congress.
