GENERAL AGREEMENT PROVISIONS

I. NATURE OF AGREEMENT

This is a Service Agreement ("Agreement") between You and the Obligor.

II. ENTIRE AGREEMENT

This Agreement, including the terms, conditions, limitations, exceptions, definitions, and exclusions, the application form, and the Declarations Section, together with any endorsements, if any, constitute the entire Agreement. No one other than the parties hereto, by mutual agreement, may change this Agreement or waive any of its provisions. This Agreement gives You specific rights. You may have other rights, which may vary from state to state. Please see the Sections in this Agreement that reference state-specific information. The purchase of this Agreement is not a requirement for the purchase, lease, or financing of the Vehicle. This Agreement is a service contract, it is not insurance.

This Agreement includes coverage for mechanical Breakdown and is for Your sole benefit and applies only with respect to the described Vehicle. **This Agreement shall be invalidated if there has been an inaccuracy, tampering, or alteration to the odometer mileage of the Vehicle so that the Vehicle's true and actual mileage is not shown on the odometer or cannot be determined. If the odometer becomes inoperable during the term of this Agreement, You must immediately notify Us and within fifteen (15) days of the odometer becoming inoperable provide documentation proving that the odometer has been repaired.**

The standard Deductible amount is \$100.00.

Obligations of the Obligor under this service contract are backed by the full faith and credit of the Obligor.

III. AGREEMENT PERIOD

Coverage under this Agreement begins after expiration of the Waiting Period, which is when thirty (30) days and 1,000 miles driven on Your Vehicle have elapsed from the date of Agreement purchase. **Any Breakdown that occurs prior to or during the Waiting Period is not covered.** If this Agreement is a continuation of coverage from another contract provided by Us and there has been no lapse or interruption in coverage under the initial contract, the Waiting Period requirements are waived. This Agreement expires when the Expiration Date listed in the Declarations Section, the Miles listed in the Declarations Section, or the Limit of Liability for the Agreement has been reached, whichever occurs first, unless it is earlier canceled as described in this Agreement.

IV. YOUR RESPONSIBILITIES

A. YOUR MAINTENANCE REQUIREMENTS

You must have Your Vehicle checked and serviced in accordance with the manufacturer's recommendations, as outlined in the owner's manual. **NOTE: Your owner's manual may list different servicing recommendations based on Your individual driving habits and climate conditions. You are required to follow the maintenance schedule that applies to Your driving habits and climate conditions. Failure to follow the manufacturer's recommendations that apply to Your driving habits and climate conditions may result in the denial of coverage. If an owner's manual was not provided with Your Vehicle, You can contact Your Vehicle's manufacturer for maintenance requirements. You must also maintain Your Vehicle's odometer in operable condition or promptly repair it as set forth above.**

You must retain verifiable receipts for all maintenance services proving purchases of all required parts and materials necessary to perform the required maintenance, confirming the date and mileage for the services performed. Maintenance and/or service work receipts may be requested by the Administrator.

B. TRANSFER OF MANUFACTURER'S WARRANTY

You are responsible for the transfer, and any applicable transfer fees, to retain all manufacturers' warranties available on the Vehicle listed in the Declarations Section of the Agreement. Failure to transfer the manufacturer's warranty can result in denial of a claim if the manufacturer's warranty would normally have been in effect if the transfer had been made and would have covered the Breakdown.

C. TRANSFER OF THIS AGREEMENT

During the term of this Agreement, You may transfer it to a subsequent owner of the Vehicle for a fee of fifty dollars (\$50), payable to Us. The subsequent owner must also transfer the manufacturer's warranty, if available. Written evidence of all required maintenance services must be provided upon transfer. Transfer is limited to an individual purchaser of the Vehicle (not a dealer) and the title may not pass through a dealer. All terms and conditions of the original Agreement will apply to the transferee. Submission of a transfer application must be completed within thirty (30) days of the sale or transfer of the Vehicle to the subsequent owner. The transfer application may be obtained by contacting Us.

Refer to the State Endorsement section for any exceptions or additional requirements in relation to the transfer of this Agreement.

D. You must follow the claim procedures set forth in Section VII below.

V. COVERAGE

Coverage under this Agreement applies to repair or replacement of all parts or components with respect to any Breakdown, except for any repair or replacement covered by insurance or the manufacturer's warranty, and excluding parts or components listed under the "What is Not Covered" Section of this Agreement, subject to Your Deductible and the remaining provisions of this Agreement. If a Breakdown occurs that is covered in accordance with the terms of this Agreement, We will provide for payment or reimbursement to an Authorized Repair Facility for pre-authorized expenses incurred for the repair or replacement in accordance with the provisions of this Agreement, **not to exceed manufacturer's suggested retail price for parts and the repair facility's published hourly labor rate multiplied by the appropriate repair time, as published in a national labor time guide, and subject to the Deductible and other provisions of this Agreement.** Reimbursement may be made directly to You for an authorized claim. **Repairs and replacements will be made with parts of like kind and quality (including any new, re-manufactured, exchanged, or serviceable used components or parts at Our option).**

XI. ARBITRATION

This Agreement requires binding arbitration if there is an unresolved dispute between You and Us concerning the Agreement (including the cost of, lack of, or actual repair or replacement arising from a Breakdown). Under this Arbitration provision, You give up Your right to resolve any dispute arising from this Agreement by a judge and/or a jury. You also agree not to participate as a class representative or class member in any class action litigation, any class arbitration or any consolidation of individual arbitrations. In arbitration, a single arbitrator (who will be an independent, neutral third party) will give a decision after hearing Your and Our positions. The decision of the arbitrator will determine the outcome of the arbitration, and the decision of the arbitrator shall be final and binding and cannot be reviewed or changed by, or appealed to, a court of law.

To start arbitration, You must make a written demand to seek arbitration at the following address:

Amber Technologies, Inc.
Attention: Legal
2261 Market Street #5280
San Francisco, CA 94114

This demand must be made within one (1) year of the earlier of the date the Breakdown occurred or the dispute arose. You and We will jointly select an arbitrator. The expense of the arbitrator will be shared equally by You and Us. Unless otherwise agreed to by You and Us, the arbitration will take place in the county and state in which You live. The arbitration shall be governed by the Federal Arbitration Act (9 U.S.C.A. § 1 et. seq.) and not by any state law concerning arbitration. The rules of the American Arbitration Association (www.adr.org) will apply to any arbitration under this Agreement. The laws of the state of Delaware (without giving effect to its conflict of law principles) govern all matters arising out of or relating to this Agreement and all transactions contemplated by the

Agreement, including, without limitation, the validity, interpretation, construction, performance and enforcement of the Agreement.

XII. CANCELLATIONS

You may cancel this Agreement at any time by sending Your written request, within thirty (30) days after the requested cancellation date, to the Administrator. If You cancel this Agreement, coverage will terminate and will not be reinstated. A copy of Your Agreement and a notarized odometer statement indicating the odometer reading of Your Vehicle at the date of the request for cancellation is required. If You cancel this Agreement during the Waiting Period, the Agreement is void and the entire Agreement purchase price will be refunded. If You cancel the Agreement after the Waiting Period, the unearned Agreement purchase price will be refunded calculated on a pro rata basis. The refund will be equal to the lesser amount produced using either the number of months this Agreement was in force or the number of miles, in thousands of miles or portion thereof, Your Vehicle was driven prior to cancellation, less an administrative fee of \$50 and the total amount of all claims paid. If the sum of the administrative fee and the total amount of all claims paid is greater than the lesser amount produced using either the number of months this Agreement was in force or the number of miles, in thousands of miles or portion thereof, Your Vehicle was driven prior to cancellation, then your refund will be \$0.

We may cancel this Agreement based on one or more of the following reasons: (1) Your Vehicle's odometer is disconnected or altered; (2) Your Vehicle is used in a manner not covered by this Agreement; (3) You do not pay the Agreement purchase price; (4) Your Vehicle has been altered beyond manufacturer's specifications, or (5) You commit fraud or material misrepresentations. If We cancel this Agreement during the Waiting Period, the entire Agreement purchase price will be refunded. If We cancel this Agreement after the Waiting Period, the unearned Agreement purchase price will be refunded calculated on a pro rata basis. The refund will be equal to the lesser amount produced using either the number of months this Agreement was in force or the number of miles, in thousands of miles or portion thereof, Your Vehicle was driven prior to cancellation less an administrative fee of \$50 and the total amount of all claims paid. If the total amount of all claims paid is greater than the lesser amount produced using either the number of months this Agreement was in force or the number of miles, in thousands of miles or portion thereof, Your Vehicle was driven prior to cancellation, then your refund will be \$0.

If You are owed a refund due to a cancellation, it will be paid within forty-five (45) days of the effective date of the cancellation.
