Differentiators

- Inclusive production processes
- Instructional Design expertise
- 508 compliance and accessibility expertise
- Creative concept driven narratives and documentary style sensibilities

Past Performance

Creative Media Production for Big Ideas

Educational and Training Videos

We specialize in video content that meets course and training objectives with many years of experience as experts in instructional and learning design.

Creative Concepting

Great stories that resonate with audiences and hold their attention need great concepts. Our team of copywriters, creative directors and storyboard artists bring your video to life by making your audience feel entertained and inspired.

Artful Visual Composition

We take care to compose cinematic visuals that go beyond the standard corporate video fare that will connect with audiences.

Personal Interviews

In addition to composing a dynamic visual for interviews, we have expertise in speaking to subjects on a multitude of topics and disciplines. We make sure the subject is comfortable and speaking authentically on the topic.

Documentary Style B-roll

Using our years of experience in documentary film production, we capture striking and cinematic b-roll that supports your story with authentic and candid visual storytelling.
