## Character Head- wall

### Imagery Headwall

The Character Headwall is a flush mounted headwall that provides all of the patient services in one compact location, leaving maximum floor area for patient care. The character can be almost anything; graphics, pictures, or anything else to create the ultimate healing environment where the headwall disappears into the room or the unit.

### Features/Specifications:

- Vertical or horizontal
- Flush finish
- Integrated vertical equipment track
- Optional horizontal equipment rail
- Reduces clinical feel without reducing clinical viability
- Heavy duty clear anodized aluminum construction
