

Hungary English Bible Camps

June 19 - 30 and June 26-July 7, 2024

The Baptist Union of Hungary, in conjunction with local Hungarian churches have asked **Hungary Missions** to bring English speakers to conduct English Bible camps in the summer.

Local church members will work along side you at the camp each day.

You are invited to make a difference in the world on this cross-cultural adventure. You will see and experience this beautiful country as no tourist ever will: living with a Hungarian family in their home, meeting their friends and family. Not only will you see Budapest, but also the large and small towns and villages outside the capitol.

You will teach a Bible curriculum during the day camp.. You will have your own story translated to use as a way to introduce yourself and communicate your faith. You will minister to the families in your partner church.
