Dear Friends of the Paris Fair:

Do you know someone between the ages of 17 and 24 years that would be a great ambassador? Let's build their confidence and help them develop into the leaders of tomorrow. Encourage and sponsor them in this year's **Paris Fair Ambassador Program**.

The **Paris Fair Ambassador Program** provides opportunity to:

- Learn life skills
- Become part of the community
- Develop lasting friendships

This year the Paris Fair Ambassador Program, governed by the Paris Agricultural Society, is celebrating 58 years of Paris Fair Queens/Ambassadors.

The 2023 Paris Fair Ambassador Program includes:

1. **Orientation Night** : We will review tips for speeches, videos, interview tips, resume writing, the details of competition night, local media will take photos, impromptu questions and a Year in review by our 2022 Paris Fair Ambassador Bronwyn Monkhouse
2. **Mentoring**: Each contestant is paired with a mentor from the Ambassador Committee who will help him or her every step of the way. Contestants can ask about items such as improving their resume, selecting a speech topic or to gain an opinion on appropriate attire.
3. **Competition Night**: includes a written resume, an interview, speech, and impromptu question and the previously recorded YouTube video of their sponsoring organization.

Contestants must meet the following criteria:

- 17 years of age as of August 1st, 2023, and not be 24 years of age by Aug 1, 2023
- Any Gender
- Has not previously reigned as Ambassador of any fair
- Be available to represent the Paris Agricultural Society at various events for one-year commencing September 1st 2023 until Labour Day weekend 2024

All judging for the Ambassador Competition will take place at the Paris Fair on **Thursday August 31st 2023**. We encourage sponsors to attend to support their contestant and to be recognized throughout the evening.

Sponsorship Feature to the Ambassador Program

The creation of a YouTube video by each of the contestants. The video will feature their sponsoring organization (the role and services it provides to the community). As the sponsor, we ask that a representative from your organization be available to participate in an interview, which will be the main content for the video. Contestants will be assisted in preparing for the interview, and our committee will record and format for online use. The YouTube video will be featured prior and during the Paris Fair. As the sponsoring organization, our hope is that you will find value in the video for your own purposes.

The role of Sponsoring Organizations

The Paris Fair has partnered with fellow organizations for over fifty years, to seek and mentor our future community leaders. Let's continue the tradition for many years to come.

At your next meeting, please consider possible contestants within your membership (children, grandchildren, youth contest winners, scholarship applicants etc.) and ask them to represent your organization during the 2021 Paris Fair Ambassador Program. It is an honour for them to be asked and encouraged by you. If you are unable to provide a contestant, the Ambassador Committee will assist in pairing you up with an interested contestant in need of a sponsor. Please note that contestant sponsorship is restricted to non-profit community organizations. Business support is greatly appreciated through the donations of gifts/cash for our contestants and/or winners.

To help cover competition costs, the sponsorship fee is \$50.00.

Please consider sponsoring a young adult in this year's Paris Fair Ambassador Program.

Application deadline for Contestants is August 15th 2023

Contestants may register by emailing Valerie Stone; Co-Chair Paris Fair Ambassador Committee at valstone18@hotmail.com 519-732-1928

Please do not hesitate to call or email should you have any questions. I hope to hear from you soon. Please mail or drop off the \$50.00 entry fee and sponsorship form to the PAS office no later than **August 18th 2023**. Please note that the cheque is payable to: **Paris Agricultural Society**.
