Firepower ministries with dr stella immanuel

Welcome to Fire Power Ministries, a deliverance ministry dedicated to providing tools and resources for breaking free from demonic influences. If you're tired of being harassed by the enemy, we're here to help. Our goal is simple: to kick the devil's behind without taking prisoners. Our approach is straightforward - we use excessive force to demolish strongholds of darkness until victory is achieved. Once we've won a battle, we teach others how to do the same. The war has already been won, but the battle continues, and we're on the winning side. We invite you to join us in this fight. Our leader, Dr. Stella Immanuel, is a prophet of God who's trained as a "God's Warrior Princess" by the Holy Spirit. She believes that violent prayer and open confrontation against dark forces are essential for breaking free from their grip. Her motto is "the violent taketh it by force," reflecting her conviction that only bold action can overcome demonic strongholds. Fire power, in our context, refers to the collective offensive capabilities of a military force - in this case, the spiritual warfare tools we provide to help you conquer your enemies and stay free from their influence. As Psalm 18:36-40 says, "Thou hast enlarged my steps under me... I have pursued mine enemies, and overtaken them..." Join us as we pursue victory over the forces of darkness. She also runs a Christian resource center in Bali, Cameroon, providing materials and support to the local community through crusades, health fairs, and scholarship programs that aid local businesses and provide economic empowerment. As the branch pastor of Mountain of Fire and Miracles Ministries in Alexandria, she further shares her message through her popular Radio/TV program, Fire Power.
