Mediaset infinity champions league 2025

La Champions League 2024/25 si svolgerà in una nuova formula: le squadre italiane saranno presenti con Inter, Juventus, Milan, Atalanta e Bologna. Non ci sar pi il sistema di gruppi, ma ogni club disputa otto partite contro squadre della prima, seconda, terza e quarta fascia. Le prime otto classificate accedono direttamente agli ottavi, le altre si affrontano in un playoff per completare il tabellone degli ottavi. La stagione vedr un maggior numero di partite rispetto al passato, con Sky trasmettendo 185 delle 203 partite e Amazon Prime Video 18 partite in esclusiva. Nessuna emittente ha acquisito i diritti di una partita a settimana per le squadre italiane. TV8 trasmetter un incontro gratis e in chiaro, mentre gli appassionati devono sottoscrivere un abbonamento per vedere le partite delle squadre Italiane impegnate.Il servizio di abbonamento include anche i servizi di spedizione veloce oltre che una partita di Champions League per ogni turno, i film e le serie tv presenti nel catalogo. Mediaset Infinity Cesena, una delle squadre italiane partecipanti alla competizione, ha vinto la prima partita con un gol di Prestia all'82'. La partita si concluse 1-0 in favore dei pisserisi.Italian football teams will face off in the top 18 matches of Wednesday evenings, with a focus on including games featuring Italian teams until the semifinals, if qualified. The current schedule is as follows: After Real Madrid's victory over Borussia Dortmund by 2-0 in the final held at Wembley Stadium on June 1, 2023, La UEFA Champions League 2024-2025 prepares for a new season that marks the 70th edition of the most prestigious European football tournament. The competition will begin on July 9, 2024, and conclude on May 31, 2025, with the final at Allianz Arena in Munich, Germany.The UEFA Champions League 2024-2025 will introduce significant changes compared to previous editions, with a completely new format. There will no longer be 32 teams divided into 8 groups, but instead, 36 teams will compete in a single group structured like a championship. This new format will radically change the way teams compete in the first phase of the tournament.The group stage will be replaced by a single group, where each team will play 8 matches: 4 at home and 4 away, against 2 opponents per one of the four ranking brackets. The top 8 teams in the single group will qualify directly for the quarterfinals, while teams from 9th to 16th place will have to participate in playoffs as seeded teams. Teams from 17th to 24th place will enter playoffs as non-seeded teams, and the remaining formations (25th to 36th place) will be eliminated.Italian participating teams include Inter, Milan, Juventus, Bologna, and Atalanta. When will it be played? This new format will also bring changes in game days. Champions League games will not only take place on Tuesday and Wednesday evenings but also on Thursday evenings. This change allows the Champions League to have dedicated weeks for the tournament without interference from the Europa League and Conference League.Game times remain at 18:45 and 21:00, with the last day of the group stage being played simultaneously. Where can you watch the Champions League 2024-2025? Sky, Dazn, Tim, Mediaset, Amazon, Infinity+, and Now Sky have secured exclusive rights to broadcast most matches in the Champions League 2024-2025. Subscribers to Sky and Now will be able to follow all matches of Italian teams. The cost for a Sky Sport subscription will be 37.80 per month for 18 months, including Sky TV and the possibility of watching Formula 1, MotoGP, tennis, basketball, etc., with an activation fee of 19.00.TV8 With pay-TV, it will be possible to watch some matches in clear on TV8, but these will only concern foreign teams. On TV8, you can watch the most prestigious clashes between clubs from abroad, chosen by Sky for each Tuesday and Wednesday evening.Amazon Prime Video Along with Sky, Amazon Prime Video will continue to broadcast one exclusive match every Wednesday evening. Prime includes 18 matches per season in real-time and exclusivity, always featuring an Italian team if qualified, from the group stage to the semifinals. This collaboration allows Prime subscribers to enjoy some of the top matches.La stagione delle partite pi attese iniziata! Amazon Prime Video offre un piano annuale di 49,90 euro o mensile di 4,90 euro. I clienti non iscritti a Prime possono provare gratuitamente per 30 giorni. L'incontro sar visibile in chiaro su TV8 trattandosi di un evento di interesse nazionale che coinvolge la prossima partita di Champions League da non perdere.La UEFA Champions League 2024/2025 ha una nuova ripartizione dei diritti tv in Italia: Sky, TV8, e Amazon. Sky trasmette la maggior parte delle partite (185 su 203) sui canali Sky Sport. TV8 trasmette alcuni match in chiaro. Amazon Prime Video offre l'esclusiva sulla restante partita del mercoledì e highlights e contenuti on demand.La Champions League non pi disponibile su DAZN, Mediaset (Infinity), e Rai. Il dettaglio che tutte le coppe europee sono trasmesse su Sky e in streaming su NOW per l'intero triennio 2024-2027.Dove vedere la Champions League in streaming, come puoi seguire le partite in chiaro e in diretta su TV?The dates for the UEFA Champions League 2024-2025 are subject to change. Here is the complete schedule:* Preliminary round: July 9, 10, 16, and 17* Second preliminary round: July 23, 24, 30, and 31* Third preliminary round: August 6, 7, and 13* Playoff: August 20, 21, 27, and 28* First round: September 17 and 19* Second round: October 1 and 2* Third round: October 22 and 23* Fourth round: November 5 and 6* Fifth round: November 26 and 27* Sixth round: December 10 and 11* Seventh round: January 21 and 22* Eighth round: January 29* Playoff: February 11, 12, 18, and 19* Round of 16: March 4, 5, 11, and 12* Quarterfinals: April 8, 9, 15, and 16* Semifinals: April 29, 30, May 5, and 6* Final: May 31The Champions League is introducing a new format for the 2024-2025 season, which will feature more teams and a single league table. This change aims to provide more excitement and competition throughout the tournament.Some key changes include:* The number of participating teams increasing from 32 to 36* A single league table featuring all 36 teams* Elimination of groups and introduction of a single group with more matches and opportunities for high-level team showdowns* Teams no longer playing each other twice, but instead facing eight different opponents, with half the matches played at home and half awayThe top eight teams in the final standings will qualify directly for the quarterfinals, while teams ranked 9th to 24th will compete in playoffs. The bottom 25 teams will be eliminated.From the quarterfinals onwards, the tournament will follow its traditional knockout format, with the final being played on a Saturday at a neutral venue selected by UEFA.In conclusion, the 2024-2025 Champions League season offers many options for following matches through TV and streaming, allowing you to choose how to watch and enjoy the action.La nuova edizione della Champions League 2024-25 sar caratterizzata da un formato completamente nuovo con 36 squadre partecipanti e una fase campionato che sostituir la fase a gironi. Le squadre will play 8 matches each, with an equal number of home and away games, and a final classification that eliminates the last 12 teams, qualifying the first 8 teams directly to the Quarterfinals and proposing a playoff tournament between teams ranked between 9th and 24th place. This new format has seen clubs participating in at least two extra matches compared to previous seasons.To watch the Champions League on Mediaset Infinity, you can consider two online streaming platforms and pay-TV channels that have acquired the rights to broadcast the tournament for the 2024/25 season. Sky TV and Now will transmit 185 matches out of a total of 203 in the tournament, while Amazon Prime Video has the right to broadcast one match per week, choosing the best one from those played on Wednesday evenings.The Mediaset Group no longer has the rights to broadcast the Champions League, which expired at the end of the three-year period from 2021-2024. Therefore, in the next season, it will not be possible to watch the Champions League on Infinity or Channel 5.In summary, you can watch most matches on Sky and Now, except for the best match played on Wednesday evenings, which is still exclusive to Prime Video.All ways to watch the Champions League:* Amazon Prime Video: 1 match per week on Wednesday evenings (exclusive)* Sky: 185 matches out of a total of 203 in the tournament with the Sky Sport package* Now: 185 matches out of a total of 203 in the tournament, streaming with the Pass Now SportWhat does Infinity+ cost?The subscription to Infinity+ is fixed and includes all content from films to sports, including only Coppa Italia from next season. It's not possible to subscribe only to cup matches in streaming. The cost of Infinity+ on Mediaset Infinity is 7.99 per month or 69 for an annual subscription or 39 for a six-month subscription.All formulas include automatic renewal of the subscription and the possibility of canceling at any time. In case of cancellation, you will continue to see content until the end of the period already included in the previous payment: for example, if after three months I discontinue the annual subscription, you can still watch until the end of 12 months or if after three days I discontinue the monthly subscription, you can still watch until the end of the month.On Mediaset Infinity, there is also the possibility of subscribing to combinations of channels, saving on the cost of individual subscriptions. For example, the cost of Infinity+ with MGM+ is 8.99 per month; Infinity+ with Midnight Factory has a cost of 9.99 per month.Additionally, thanks to the new DAZN offer available until November 8, 2023, and no longer active, anyone who chooses one of the two DAZN plans (DAZN Standard and DAZN Plus) with football included will receive three months of Infinity+ for free.Infinity+ with TimVision: This option is also available through the TimVision platform. The Calcio e Sport offer that includes DAZN (Serie A, Serie B, Europa League, only in the 2023/24 season) and the TIMVision box costs 34.99. The GOLD formula that, apart from Infinity+ and DAZN, also includes Netflix and Disney+, is on sale for 44.99 per month.Infinity+- Which Champions League matches can you watch?In the 2023/24 season, Infinity+ transmitted 104 Champions League matches. In particular, at least two Italian teams out of four were available on Infinity+ (in co-exclusivity with Sky). Additionally, one match was broadcast free in TV and streaming on Sportmediaset.it every Wednesday evening.Now, with the new distribution of TV rights, there will be no Champions League match available on Infinity.Champions League 2021/2024 on Infinity+: Devices and AppsInfinity+ disponibile su due dispositivi in contemporanea e al massimo 9 dispositivi all'anno. Prima di cambiare dispositivo, assicurati di essere abilitato. Puoi accedere ai contenuti a pagamento solo inserendo i tuoi dati.
