## American eagle size guide

American Eagle offers a size chart to help customers determine their correct size before making a purchase. The company sells casual apparel and accessories for men and women, including tops, bottoms, dresses, shoes, and more. Before buying from American Eagle, it's essential to know your size to avoid returns due to incorrect sizing. The provided size chart includes measurements for various clothing items, such as jeans, sweatpants, skirts, and leggings, as well as shoe sizes. The chart also offers a fit guide, which provides information on the different types of fits available, including short, regular, and long lengths. Some examples of size charts for specific products include: \* Women's bottoms: bust, waist, and hip measurements are provided for XXS to XXL sizes \* Hi-Rise Jegging: measurements for X Short to X Long lengths \* Skinny Kick Boot: measurements for 22.75" to 30.75" lengths Overall, the American Eagle size chart aims to make online shopping more convenient by providing accurate sizing information and eliminating the need for returns due to incorrect sizing. \*\*Measuring Your Body for Clothing Sizes\*\* Accurate body measurements are essential to selecting the right clothing size. Here are the guidelines to measure your body like a pro. \*\*International Sizing Chart\*\* \* Length: Convert your foot length using the chart provided. \* Chest (Men): Measure around the broadest part of your chest, under your arms. \* Waist (Men and Women): Measure around your natural waistline with a little looseness. \* Hips (Women's Bottoms): Measure around the widest part of your hips while standing with feet together. \* Rise: Measure from the top of the waistband to the leg seam. \*\*Body Measurement Tips\*\* \* Keep a tape measure handy for accurate measurements. \* Use a durable tape measure for arm and sleeve length measurements. \* Leave some looseness in the tape when measuring neck, chest, waist, and hips. \* Stand with feet together when measuring hips and waist. \*\*Men's Measurements\*\* \* Chest: Measure around the broadest part of your chest under your arms. \* Neck: Wrap the tape measure around your Adam's apple at the center of your neck. \* Arm: Measure from shoulder to elbow and down to wrist. \* Waist: Measure around your natural waistline with a little looseness. \*\*Women's Measurements\*\* \* Bust (not mentioned in original text, but added here for completeness): Measure around the fullest part of your bust. \* Waist: Measure around your natural waistline with a little looseness. \* Hips: Measure around the widest part of your hips while standing with feet together. Note that I removed some redundant information and reformatted the text to make it easier to read. To measure your foot size for American Eagle products, start by taking your foot length from the longest toe (usually the big toe) to the sole. If no one is available to assist, use a sheet of paper and a pen or marker to accurately outline your foot shape. Alternatively, you can use a measuring tape to measure from the most prominent toe to the sole. American Eagle provides an international sizing chart for various countries across the globe, including the US, UK, EU, Japan, Korea, France, Germany, Canada, China, and Mexico. However, be aware that sizing differences may apply between countries. To determine your size, refer to the American Eagle sizing chart above. The chart provides conversion sizes for different countries and styles of clothing. Additionally, Aerie undergarments and swimwear are also available. Before making a purchase, it's essential to check your size using the sizing chart to ensure the best fit.
