2025 skoda octavia

A fully updated evolution of the koda Octavia vRS is available in the UK from 38,670 OTR. The sporting flagship of the revised Octavia range becomes the most powerful production Octavia ever offered by koda thanks to its revised 2.0 TSI engine that now generates 265PS.As with its acclaimed predecessors, the new koda Octavia vRS is offered in both hatch and estate forms with a single powertrain option in the form of an updated 2.0 TSI four-cylinder petrol unit. The engine, which comes from the same EA888 family as the unit fitted to koda's championship-winning Fabia RS Rally2 car, has been further developed over its predecessor to deliver more power and torque. Peak power has risen by 20PS to 265PS while peak torque is now 370Nm.The revised engine drives through a seven-speed DSG automatic as standard and can propel the new model from 0-62mph in just 6.4 seconds (6.5 for vRS Estate). Despite its high power output, the koda Octavia vRS is remarkably efficient, with a WLTP combined fuel consumption figure of 40.8mpg (40.3mpg for vRS Estate).Power is delivered to the road via a VAQ electrohydraulic differential lock that ensures that the vRS has optimised grip coming out of corners and turns naturally under throttle without slipping the inside wheel. Both vRS models also feature a chassis lowered by 15mm to further improve driving dynamics.In terms of design, the updated, fourth-generation koda Octavia vRS features restyled front and rear bumpers and a new vRS logo on the radiator grille. The sporting flagship is further distinguished by a black radiator grille surround, side window trim and door mirrors. At the rear, the new bumper diffuser and tailpipes are also finished in black while the Estate comes with black roof rails as standard. Striking 19-inch Elias anthracite alloy wheels complete the exterior design package.Black also dominates the bespoke vRS Design Selection interior where the standard equipment includes a sporty three-spoke multifunction leather steering wheel and aluminium pedal covers. The sports seats are upholstered in fabric as standard and feature contrast red stitching as well as the sporty vRS logo etched into the backrest, and the seats also offer electrically adjustable lumbar support and massage function.Like other models in the updated Octavia range, the vRS comes with a large 13" infotainment system, 10" Virtual Cockpit and optional head-up display. Front seat passengers have access to fast-charging USB-C ports and a wireless charger with active ventilation. Rear passengers benefit from fast-charging USB-C ports, plus air-conditioning with its own rear-seat-only third zone. Other standard equipment on the new vRS models includes an electrically operated boot with virtual pedal, Keyless entry and start / stop and blind spot detection.In the Skoda Elroq RS, the electric motors - on the front axle and on the rear axle - develop a total output of 250 kW and support all-wheel drive.Skoda Elroq features compact outside dimensions, a distinctive shape and clean lines. Get the experts on your side and score a great deal. Browse now.Better-equipped versions of the Octavia, such as the Sportline and flagship RS performance grade, are due in the first quarter of 2025.Visual tweaks to the Octavia include new-look LED headlights with the portion closest to the grille now extended downwards which incorporate an inverted daytime running light signature.The side and lower portions of the front bumper are now more angular, with the honeycomb-patterned radiator cover extending further towards the wheel arches.Inside, the 10.0-inch infotainment touchscreen has been replaced by a larger 13.0-inch unit, however the Virtual Cockpit digital instrument cluster remains unchanged at 10.25 inches.There have been safety enhancements, too, with the base Octavia now featuring as standard rear pedestrian detection for its autonomous emergency braking (AEB) system, adaptive cruise control with stop and go, lane-centring assist, and emergency assist.Orders for the 2025 Skoda Octavia are open now.PricingModelDrive-away price2025 Skoda Octavia Select liftback\$41,490 (down \$1000 on outgoing Style)2025 Skoda Octavia Select wagon\$43,990Drivertrains and EfficiencySkoda OctaviaEngine typeTurbocharged 1.4-litre four-cylinder petrolTransmissionEight-speed torque-converter automaticDrive typeFront-wheel drivePower110kWTorque250Nm0-100km/h (claimed)8.7 secondsFuel tank capacity43lFuel economy (claimed)N/AFuel type95 octane premium unleaded or higherDimensionsSkoda Octavia liftbackSkoda Octavia wagonLength4698mm4698mmWidth (including mirrors)2003mm2003mmHeight1470mm1468mmWheelbase2686mm2686mmBoot capacity (seats up)600l640lBoot capacity (seats folded)155L1700lServicing and WarrantyAll new Skodas sold in Australia are backed by a seven-year, unlimited-kilometre warranty.Servicing is required every 12 months or 15,000km, whichever comes first.Skoda offers a pre-paid service pack which covers the first seven years or 105,000km of servicing, and is priced from \$3650.While Skoda is yet to detail service pricing for the 2025 Octavia, its shared drivetrain with the pre-facelift model suggests capped prices will remain largely unchanged.SafetyThe Skoda Octavia received a five-star ANCAP safety rating in 2021, based on testing conducted by Euro NCAP in 2019.Below are the scores it received:Skoda OctaviaAdult occupant protection92%Child occupant protection87%Vulnerable road user protection (pedestrians)73%Safety assist79%Standard safety equipment on the Octavia includes:Eight airbagsAutonomous emergency braking (AEB)Pedestrian detection front and rearCyclist detectionRear cross-traffic alertAdaptive cruise control with stop and go (previously adaptive only)Travel Assist (NEW)Lane-keep assistLane-centring assist (NEW)Emergency assist (NEW)Blind-spot monitoring Exit warning systemDriver fatigue monitoringFront and rear parking sensorsReversing cameraTyre pressure monitoringMany of these new features were previously reserved for cost-option packs on the pre-facelift Octavia.Standard EquipmentThe 2025 Skoda Octavia Select comes standard with the following:18-inch alloy wheelsSpace-saver spare wheelLED headlightsLED fog lights with cornering functionLED tail lightsLED puddle lightsDynamic indicatorsRain-sensing wipersPrivacy glassChrome window frame surroundsSilver roof rails (wagon only)Fabric upholsteryLeather-wrapped steering wheelPaddle shiftersRear door window sunshadesShift-by-wire gear selectorElectric park brakeAuto-dimming rear-view mirror10.25-inch Virtual Cockpit digital instrument cluster13.0-inch infotainment touchscreenSatellite navigationTwo USB-C portsWireless Apple CarPlay and Android AutoEight-speaker sound systemWireless phone charger with ventilationDual-zone climate controlLED ambient interior lightingPush-button startDrivers door umbrella and integrated holderTablet holders for rear-seat occupantsColoursA choice of seven exterior colours are available for the Skoda Octavia Select:Candy White SolidMoon White MetallicBrilliant Silver MetallicGraphite Grey MetallicBlack Magic PearllescentRace Blue MetallicVelvet Red MetallicOnly the latter finish is a cost option, setting buyers back an additional \$770.Previously only Candy White was available at no extra charge, with all other finishes incurring the \$770 premium, while Velvet Red was \$1100. MORE: Everything Skoda OctaviaMORE: 2025 Skoda Octavia facelift unveiled. RS gets a power boostMORE: Every new Skoda launching in Australia over the next 12 monthsWhen tested by our team of experienced road testers, the Octavia was awarded the full five stars, which is no mean feat. Compared to its family car rivals, it's more accomplished in mostareas, including practicality, quality and value for money. Page 2Strengths+Refined+Great manual gearbox+Controlled rideWeaknesses-Rivals handle better-e-Skyactiv X engine feels lacking at low revsThe Mazda 3's entry-level engine called the e-Skyactiv G is a 138bhp 2.5-litre four-cylinder petrol unit. Its a new engine for the 2025 model year and delivers more shove low down in the rev range than its predecessor. Unlike that engine, this one doesn't feel lacking, feeling more on a par with most turbocharged rivals the 123bhp 1.0-litre Ford Focusor example.Whats more, because theres no wait between pressing the accelerator and a turbocharger delivering more oomph, the 3 has a stronger, more immediate accelerator response than turbo rivals, including the Focus and the VW Golf.The Mazda 3 is also available with a more powerful, 183bhp 2.0-litre engine the e-Skyactiv X but it actually feels weaker most of the time. Thats because you only get the best from it when youre high in the rev range.Both engines are available with a choice of a six-speed manual or a six-speed automatic gearbox. For the best fuel economy and the lowest CO2 emissions, go for the manual. Its super slick to use, too, with a precise, well-weighted action to it. The automatic isnt as satisfying, being reluctant to change down when you ask for a quick burst of acceleration.Ride comfort isn't one of the Mazda 3's strongest suits. It's set up quite firmly and doesn't smother angry bumps around town nearly as well as the best familycars. And which would they be, you might ask?Page 3Mazda 3 2024/08/01This entry-level trim gets you a decent amount of kit, including air conditioning, 16in alloy wheels, rear parking sensors (and camera) and LED headlights...Mazda 3 2024/08/01For a justifiable sum of money, you could jump to Centre-Line (our recommended trim). You'll gain keyless entry, heated seats, rain-sensing windscreen wipers, dual-zone climate control, an auto-dimming rearview...Mazda 3 2024/08/01Homura adds 18in wheels to the mix, as well as some sporty styling details...Mazda 3 2024/08/01Like Homura, Exclusive-Line ups your wheel size to 18in, but instead of sporty styling details, it aims for a classier look...Mazda 3 2024/08/01This is your range-topping trim. It gets electrically adjustable leather front seats, a heated steering wheel, more safety equipment and a 360-degree parking camera...Mazda 3 2023/04/01Like Homura, Exclusive-Line ups your wheel size to 18in, but instead of sporty styling details, it aims for a classier look...Mazda 3 2024/08/01Homura adds 18in wheels to the mix, as well as some sporty styling details...Mazda 3 2024/08/01This is your range-topping trim. It gets electrically adjustable leather front seats, a heated steering wheel, more safety equipment and a 360-degree parking camera...Mazda 3 2023/04/01This is your range-topping trim. It gets electrically adjustable leather front seats, a heated steering wheel, more safety equipment and a 360-degree parking camera....
