Alison Krauss: A Multi-Award Winning ArtistAlison Maria Krauss, born on July 23, 1971, is an American bluegrass-country singer, fiddler, and music producer. She began her music journey at a young age, participating in local contests by the time she was eight and recording for the first time at 14. She signed with Rounder Records in 1985 and released her first solo album in 1987. Her collaboration with Union Station began in 1989, and they have been performing together ever since.Krauss has received numerous accolades throughout her career, including 27 Grammy Awards, which is the most awarded artist in Grammy history as of 2019. Her work on soundtracks such as O Brother, Where Art Thou? and Cold Mountain led to a renewed interest in bluegrass music, and her performance at the 2004 Academy Awards further boosted her popularity.Louise Krauss's Early Life and Musical InfluencesLouise Krauss, an American musician, was born into a family of artists. Her mother, who played banjo and acoustic guitar, introduced Louise to folk music at home and exposed her to rock and pop music through the radio. Krauss was particularly fond of Gary Numan's synth-pop song "Cars" and rock bands like Foreigner and Bad Company.She began studying classical violin at age five and continued until she was eleven, despite initial reluctance. Krauss's mother encouraged her involvement in music, as well as art and sports. The family later moved to Champaign, where Louise became active in roller skating and eventually decided on a career in music instead of roller derby.Krauss developed a passion for bluegrass music after attending the Champaign County Fair talent contest at age eight, where she placed fourth. She learned by ear to play several songs from the album "Duets" by violinist Richard Greene. Krauss's natural talent and skill were soon recognized, earning her the title of "Most Promising Fiddler in the Midwest."Alison Krauss began her career as a solo artist, releasing her debut album Too Late to Cry with Union Station in 1987. She later signed with Rounder Records and released two albums, I've Got That Old Feeling and Two Highways, which included traditional tunes like "Wild Bill Jones" and "Beaumont Rag". Krauss' music was featured on the Red Hot + Country album, where she contributed vocals to "Teach Your Children". She also collaborated with other artists, such as Crosby, Stills, and Nash. In 1995, a compilation of her older releases and covers of favorite works by other artists was released, including a version of the Beatles' "I Will" with Tony Furtado.Krauss won her first Grammy Award for I've Got That Old Feeling, which peaked at number seventy-five on the country chart. She then joined Union Station, releasing their album Every Time You Say Goodbye in 1992. Krauss won a second Grammy Award for Best Bluegrass Album of the year for this release. In 1993, she became the youngest cast member to join the Grand Ole Opry at age 21.Given text here Alison Krauss has achieved significant success throughout her career, with multiple chart-topping albums and awards under her belt. Her 1997 album "So Long So Wrong" won the Grammy Award for Best Bluegrass Album, showcasing her unique sound. In 1999, she released "Forget About It", which included one of her tracks on the Billboard adult contemporary chart. Krauss' next solo release in 2001 was "New Favorite", which also won a Grammy for Best Bluegrass Album.The album "Live" in 2002 became a double platinum success, followed by a DVD release of the same live performance. In 2004, she released "Lonely Runs Both Ways", another gold-certified album. Krauss has collaborated with other artists, including Brad Paisley and Robert Plant, resulting in hits like "Whiskey Lullaby". Her collaboration with Plant on the album "Raising Sand" in 2007 earned her multiple Grammy Awards, including Album of the Year.Krauss' recent releases include "Paper Airplane" in 2011, which was followed by another Union Station album. Throughout her career, Krauss has been recognized for her talent and contributions to various genres of music.Krauss's Career HighlightsDolly Parton released her breakthrough album Paper Airplane in 2004, which was a huge commercial success and reached number three on the Billboard 200 chart. The album featured country and bluegrass classics and marked a significant return to the genre for Krauss.In 2017, Krauss released her first solo album in 17 years, Windy City, which included covers of classic country and bluegrass songs. She went on to collaborate with artists such as Willie Nelson and Robert Plant on various projects.Krauss has also made guest appearances on other records, including the Phish song "If I Could" and the album The Western Illinois Rag by Chris Vallillo. She has contributed to several motion picture soundtracks, most notably O Brother, Where Art Thou?, which helped revive interest in bluegrass music.Despite her success, Krauss has remained humble and has stated that she believes Americans have always been interested in bluegrass music. However, the film's exposure did provide easy access to the genre for a wider audience.Alison Krauss's music career has spanned multiple genres, from bluegrass to pop. Her solo album "A Hundred Miles or More" (2007) was well-received, featuring singles like "(When You Believe)" and "(Sinking Just Like That)". The album's title track aired on Great American Country TV network in an hour-long special. Krauss has collaborated with various artists, including Nickel Creek, Moody Bluegrass, Def Leppard, High Valley, Ringo Starr, and Dolly Parton.She has also contributed to soundtracks for films like "Twister", "The Prince of Egypt", "Eight Crazy Nights", and "Cold Mountain", earning Academy Award nominations for songs "(Scarlet Tide)" with T-Bone Burnett and Elvis Costello, and "(You Will Be My Ain True Love)" with Sting. Krauss has produced albums for Nickel Creek and Billy Childs.As a musician, Krauss has cited influences like Lou Gramm of Foreigner, Paul Rodgers of Bad Company, Dolly Parton, and others. Her family's exposure to folk music laid the foundation for her bluegrass roots. Union Station, her band, has been praised as "American favourites" and "the tightest band around". Despite their success, Krauss remains the focal point, with an "angelic" voice that "flows like honey".Krauss continues to perform and collaborate on new projects, exploring different styles while staying true to her roots in bluegrass music.Dolly Parton is a renowned country music artist known for her powerful soprano voice and versatility in genre. She has collaborated with prominent artists, including Nickel Creek, Reba McEntire, and Alan Jackson. Parton's music often features bluegrass and country influences, but she has also explored adult contemporary and pop styles.Parton's distinctive voice is often described as angelic, and her songwriting style tends to focus on themes of love and heartache. She rarely performs original songs herself, instead selecting tracks that fit a cohesive theme and mood for her albums. Parton's music videos have become increasingly popular over time, with many featuring her in prominent roles.The production team behind Parton's music videos often involves band members in the decision-making process, allowing them to contribute their artistic vision to each project. Despite initial reservations about making music videos, Parton has since grown to appreciate their value and creative potential.Krauss attended various concerts and performances throughout her career, including watching Foreigner multiple times, Dolly Parton, and Larry Sparks. She appeared on Austin City Limits in 1992 and opened with Union Station in 1995.[92] The New Favorite tour was initially set to start September 12, 2001, but was delayed due to the 9/11 attacks and rescheduled for September 28 in Savannah, Georgia. Krauss participated in the Down from the Mountain tour in 2002 alongside other O Brother, Where Art Thou soundtrack artists.[95] The Great High Mountain Tour followed, featuring musicians from both O Brother and Cold Mountain. Notable smaller performances included Carnegie Hall with the Grand Ole Opry, Lifetime Television's concert of female performers, A Prairie Home Companion on radio, and a White House performance attended by President Bill Clinton and Vice President Al Gore.[97][99] She also performed at the White House again, singing "When You Say Nothing at All." Krauss paid tribute to the Everly Brothers with Emmylou Harris and Vince Gill. She was invited by Taylor Swift to perform at the 2013 CMA's and by Joshua Bell for a Christmas album. Krauss performed at DAR Constitution Hall in Washington, D.C., as part of "The Life and Songs of Emmylou Harris: An All Star Concert Celebration" in 2015.[104]Krauss has won twenty-seven Grammy Awards throughout her career, ranking fifth on the list of most winners as of 2025. She overtook Aretha Franklin for the most female wins at the 46th Grammy Awards. The Recording Academy honored Krauss with a special musical achievement award in 2005. Krauss has also received multiple International Bluegrass Music Association Awards, Country Music Association Awards, Gospel Music Association Awards, CMT Music Awards, and Canadian Country Music Awards.[110][117]Alison Krauss's Unconventional Outfits and AccoladesBeyonc breaks record for most Grammys by a female artistAlison Krauss is an American bluegrass-country singer-songwriter and musician. She was born on July 23, 1971, in Newton, Iowa. Her music career began at a young age, and she gained recognition with her debut album "New Favorite Old Friends" in 1995. Krauss has released many successful albums, including "When She Was Bad", "Entropy", and "Windy City". She has won numerous awards, including multiple Grammy Awards.Krauss has collaborated with various artists, such as Robert Plant, Willie Nelson, and Union Station. Her music often features a mix of bluegrass, country, and folk styles. In 2009, Krauss and Robert Plant won the Grammy Award for Album of the Year for their collaboration "Raising Sand".Throughout her career, Krauss has been recognized as one of the leading figures in bluegrass-country music. She has been named the "Queen of Bluegrass" by several publications and has received critical acclaim for her albums and collaborations.Some notable mentions include:* Krauss's early beginnings with Rounder Records* Her 1995 Grammy nomination for Best Female Country Vocal Performance* Her iconic collaboration with Robert Plant on the album "Raising Sand"* Her later work, including the album "Windy City" (2021) and a 2022 tour with Robert Plant.Please note that I've condensed and rephrased the original text to make it more concise and easy to read. Some details may have been lost in the process.The music industry has seen various announcements and updates about Alison Krauss and her band Union Station over the years. Retrieved May 19, 2015.Vince Gill, Alison Krauss And Emmylou Harris Pay Tribute To Everly BrothersAlison Krauss is a renowned musician who has made a significant impact on the music industry. Her album "Forget About It" marks a departure from her bluegrass roots, exploring a more delicate and atmospheric sound that retains the emotional honesty of country and bluegrass.The album features songs such as "Never Got Off the Ground", "Could You Lie", and "Ghost in This House", which demonstrate Krauss's ability to craft meaningful and stripped-down melodies. In contrast to Nashville's typical production style, which often layers instrumentation and overproduces tracks, Krauss strips away these excesses to reveal the essence of her songs.Born in Decatur, Illinois, in 1971, Alison Krauss began playing classical violin at age five and soon became fascinated with bluegrass, pop, and rock. She released her debut album as a bandleader while still in her teens and went on to become a leading figure in the country music scene, earning numerous Grammy Awards.Throughout her career, Krauss has collaborated with notable artists, including Robert Plant for the 2007 album "Raising Sand". Her influence on bluegrass and country music is undeniable, and she continues to inspire countless artists.
