

I'm human

The official Burnout Masters game boasts an impressive array of over 24 real-life competitor cars and more than 65 customizable vehicles to build and personalize. This game is the authentic burnout experience, featuring iconic events like Summernats, Red Centre NATS, Western Sydney Dragway, Tropical Meltdown at Springmount Raceway, RockyNATS, Motorvation at Perth Motorplex, and Rapaparts in New Zealand. Players can create their ultimate burnout car, shredding tires on over 20 detailed burnout pads while exploring the entire Summernats 34 event. Key features of Burnout Masters include: - Multiplayer action with up to 8 cars skidding together - A massive burnout event experience at Summernats - Intense burnout physics with realistic smoke, engine explosions, and popping tires - The ability to build not buy, with customizable engine upgrades and swaps - Custom tuning for optimal performance - A wide range of engines to choose from, including 4cylinder, v6, v8, and rotary - 20 detailed burnout pads to explore - Leaderboards to compete with friends and the community - Codes have limited time frames for activation. To avoid missing out on freebies, claim them promptly. Roblox Burnout Champion codes may not work due to a grammatical error; copy and paste from the list into the text box to fix this issue. Before playing new games, check developers' social media pages. Join AussieGameCo's Roblox group for giveaways on platforms. The game is a racing challenge where players earn money to buy better cars. If you don't have resources, start with limited funds. Upgrade your car by choosing the Burnout Champions Progression mode and show skill to earn more. For other games' codes, see our post. Roblox Promo Codes offer free stuff; check the latest news for updates on entertainment. Get ready for the ultimate burnout experience! Visit Cairns, Perth Motorplex, and Rockhampton to witness high-octane competitor cars in action. Check out Summernats 33's top performers: FULLON - reigning Burnout Master, LSONE - reigning Burnout Champion, HAMMERTIME - insane burnout competitor, FRONTBACK - legendary Burnout Master, TOAST - the American Burnout Machine, PROPSI - extreme burnout competitor, HODDON - original Lockdown Skid, NUTOUSE - NZ Burnout Champion, LOOSEQ - toughest HQ around, ZEPHYR - a tribute to John Peterson, ZEROY - reigning Burnout Champion, USA502 - the most reliable burnout car at Summernats, and LOOSE - an insanely powerful VL.
