Smartphone connectivity via RIDEOLGY THE APP** connects you with your bike like never before, allowing you to view vehicle info, a riding log, phone notifications, and general settings. *RIDEOLGY THE APP is not intended for use during vehicle operation. Only use RIDEOLGY THE APP when the vehicle is not being operated and it is safe to do so. 4.3-inch all-digital TFT (thin-film transistor) color instrumentation gives the cockpit a high-tech, high-grade appearance while delivering high visibility. Bluetooth® technology built into the instrument panel enables riders to connect to their bike wirelessly. A number of instrument functions can be accessed using RIDEOLGY THE APP*, contributing to an enhanced riding experience. Available functions include: vehicle info, riding logs, telephone notices, communication (sharing), ranking, and maintenance log. *RIDEOLGY THE APP is not intended for use during vehicle operation. Only use RIDEOLGY THE APP when the vehicle is not being operated and it is safe to do so. All trademarks, registered trademarks, logos, and copyrights are the property of their respective owners. Check out the full lineup of bold Ninja® motorcycles. Professional rider(s) on a closed course. Equipment illustrated and specification may vary to meet individual markets. Historic model shown. Not available for retail purchase. Previous model year shown. Page 2 Behind the steering wheel is a full color TFT instrument panel with a meter display that shows the drive mode (Forward/Reverse/Neutral), speedometer, battery level, and turn signal indicator. The NAV® 4e Limited features a large 7-in full-color TFT LCD screen built into the automotive-style dashboard and is compatible with Apple CarPlay and Android Auto, giving passengers options for entertainment, NAVigation, and more. Plus, hands-free calls are easy with a built-in mic. Four 6.5-in roof-mounted speakers provide plenty of sound for in-vehicle entertainment. Available as an accessory item is an 8-in subwoofer that installs in the under-hood storage compartment.
