Wicked's massive success continues, with the film performing well at the box office and receiving critical acclaim. As the hype begins to die down, attention is turning to the upcoming sequel, Wicked: For Good, which will hit theaters next year. Director Jon M. Chu has revealed that the film will connect to The Wizard of Oz in a significant way, through the iconic character Dorothy Gale. Although Wicked feels like its own entity, it is clear that the story is deeply rooted in the classic tale. With the home video release of Wicked on December 31, fans are eagerly anticipating the next installment of Glinda and Elphaba's story. The success of Wicked has also led to a renewed interest in its predecessor, The Wizard of Oz, which became a global phenomenon 85 years ago. As director Jon M. Chu continues to tease what's to come in Wicked: For Good, fans are excited to see how the story will unfold and how it will connect to the beloved classic. Get ready for an info-packed hour with visual experts and special guests to elevate your next video project, tune in on June 24 at 11am ET. Financial brands can set themselves apart through visual storytelling, and our experts explain how. The Motorsport Images Collections captures events from 1895 to today's most recent coverage. Meanwhile, actress Anne Hathaway's private iCloud was hacked, leaking her naked content online, but some of the leaked photos are actually from her topless shoot for Harper's Bazaar magazine in 2014, and other sources claim they are fake, including a sex tape that is not confirmed to be her. magazine Shape features Anne Hathaway posing without shirt or bra, making this Issue rare with a slightly naked Hathaway! You have to check out the best Anne Hathaway naked and sex scenes, folks! Here are all of them in one place, so keep scrolling down and enjoy! One new Anne Hathaway sex scene is with Matthew McConaughey from 'Serenity', where you can see her perfect skills while this man is knocking her! And for the love of GOD, check out her leaked nudes we have here! This intense sex scene with Matthew McConaughey and Anne Hathaway shows them going at it like dogs in heat. After some passionate kissing, they get so hot and go at each other like crazy. The whole scene is in a missionary position on the couch. We can see Hathaway's ass, and that counts for something! Her great performance in Serenity sex scenes is a cherry on the top. In this sex video from Havoc, we have a beautiful view of her luscious tits and pointy nipples. And even though this is a pure forced sex scene, one might say that her right nipple has a hard erection. Anne Hathaway ranked among the most desirable women in the World, one of the 100 sexiest stars in film history, and sexiest Women in the World. Here, she shows beautiful young boobs for the first time on film. While sitting in a car with her boyfriend, she takes off her shirt, showing tits, and starts a sexual game. Enjoy watching Anne in this great sex in a car scene! The article discusses three different celebrity women: Anne Hathaway, Holly Barker, and Inka Williams. Firstly, it highlights a scene from Anne Hathaway's movie "Love and Other Drugs" (2010) where she appears topless on screen. The scene shows her getting an examination by a doctor and exposing her breasts in the process. The article also notes that Hathaway recently appeared at the Critics' Choice Awards with visible cleavage, which some speculated was due to breastfeeding after giving birth to her second child. In addition to this, the text includes information about two other celebrity women: Holly Barker and Inka Williams. Holly Barker is a Canadian/American fitness model who has been involved in various sports competitions and has gained a significant following on Instagram with over 759K followers. She also runs a business called Mind Heart Body Enterprises with her husband. Inka Williams is another celebrity woman featured, known for showing off her "beautiful ass and tits" in a photoshoot by David Bellemere for Magnifik magazine (2021). The article provides information about several of her movies and TV shows that she has been in. The text concludes by stating that Anne Hathaway is often considered one of the sexiest and most sophisticated celebrities around. Anne Hathaway: A Talented Actress with a Rich Life Beyond the Screen Anne Hathaway is widely regarded as an exceptional actress, but there's more to her than meets the eye. With a career spanning over 20 years, she has left an indelible mark on the entertainment industry. Born to parents who drew inspiration from William Shakespeare's wife, Anne Hathaway shares the same name and has said that she's glad her parents didn't choose Catherine instead, as it might have been harder to pronounce. Her husband, Adam Shulman, bears a striking resemblance to Shakespeare, leading fans to speculate about a possible connection between the two. However, there's no concrete evidence to support this theory. Anne's passion for acting began at a young age, inspired by her mother Kate's performance in a stage version of Les Miserables when she was just six years old. This led her to pursue her dreams and eventually win her first Academy Award for her portrayal of Fantine. In her personal life, Anne has been open about struggling with anxiety and depression as a teenager. However, she has since overcome her mental health challenges without relying on medication. With numerous iconic roles under her belt, including Mia Thermopolis in The Princess Diaries, the White Queen in Alice Through The Looking Glass, and Fantine in Les Miserables, Anne Hathaway continues to captivate audiences with her talent and versatility. I'm sorry she went through so much pain for a long time. It's really sad that she was so consumed by her past and let it define her. But it's amazing to see how she's grown and developed coping mechanisms to deal with stress. She's also spoken out against negativity from haters and promoted body positivity in an industry that often emphasizes unrealistic beauty standards. Anne Hathaway got her start in a TV series called Get Real back in 1999, which launched the careers of both her and Jesse Eisenberg. Although it only lasted one season, it was a great experience for them. Hathaway almost didn't get her iconic role in The Princess Diaries, as Liv Tyler was also up for the part. But Hathaway's clumsiness actually worked in her favor during the audition process! Despite having some big roles slip away, like Phantom of the Opera and Silver Linings Playbook, Hathaway has had an incredible career. She even got to host the Oscars at just 27 years old, making her the youngest Academy Awards host ever. It's great to see that Hathaway has taken the criticism from hosting the Oscars in stride and has used it as a learning experience. She's shown that she can rise above negativity and stay positive, which is really inspiring. Anne Hathaway transformed into a starved prostitute for Les Miserables, losing 25 pounds in two weeks. This drastic weight loss had negative health effects and took away from her Oscar win joy. The actress was not prepared with the necessary health knowledge to take care of herself during this period. She became really sick due to this, reflecting on it now. Before that, Anne Hathaway followed a vegan diet for many years. However, she made an exception when dining with co-star Matt Damon in Iceland, where they had salmon as part of their meal. This experience was described as rejuvenating and has no regret from her side. The scandal surrounding Jennifer Lawrence's private photos began when they were widely shared on social media platforms like Reddit and Imgur. As the images spread, she became a trending topic on Twitter, with many users expressing their support and outrage over the invasion of privacy. The leak was part of an ongoing attack on celebrities' personal details, following a similar incident involving Miley Cyrus in April 2014.
