Ice Spice responds to alleged sex tape leak on Twitter, denies involvement. She tweeted: "u guys want them fake ass leaks to be me so bad just so [you] can go beat your lil dirty meat to it." Despite the rumored scandal, Ice Spice has been promoting her music positively online, with her hit single 'Munch' potentially being the song of the summer. The rapper previously spoke about receiving praise from Drake, saying: "When Drake DM'd me, I did not really expect that... He was like 'Yo, Munch is hard and your On the Radar freestyle is hard.'" Ice Spice responds to leaked "sex tape" claims on Twitter, denying involvement in explicit video. A recent leak of an allegedly X-rated video featuring a woman with curly hair has sparked rumors about the rapper's participation. However, Ice Spice took to her account to vehemently deny being involved in the scandalous clip, Ice Spice spotted partying with Drake, sparking rumors about alleged sex tape Lori Harvey's viral moment after sex tape allegations against her emerged Ice Spice addresses sex tape rumors as she continues to rise in the rap scene The Financial Times' exposé on Wirecard's €2 billion fraud led many to believe the story had concluded, but for reporter Sam Jones, it was merely the starting point. In this season's Hot Money: Agent of Chaos, Jones delves into the disappearance of Wirecard's chief operating officer, Jan Marsalek, just as the company collapsed. What he uncovered was shocking - Marsalek, who vanished, is revealed to be a Russian spy. The investigation takes a thrilling turn as it spirals through a world of espionage, disinformation, and warlords. Jones' quest for truth ultimately asks: Who is the real Jan Marsalek? And what does his secret life reveal about the powerful forces he serves?
