This comprehensive textbook series, Integrated Korean, has been revamped to cater to the evolving needs of language learners. The four-level series, comprising Beginning 1 and 2, Intermediate 1 and 2, Advanced Intermediate, and Advanced, is designed with performance-based principles and methodology in mind. Collaboratively developed by leading classroom teachers and linguists of Korean, each volume incorporates learner-centeredness, contextualization, use of authentic materials, function/task-orientedness, balance between skill getting and using, and integration of speaking, listening, reading, writing, and culture. Grammar points are introduced systematically with simple yet adequate explanations and ample examples, exercises, and drills. The main texts feature situation/topic-based lessons consisting of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to feedback from hundreds of students and instructors, this revised edition boasts an attractive color design with new photos and drawings. The accompanying workbook provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. Volumes include instructor's manuals, Chinese Character Studies, Korean Composition, Selected Readings in Korean, Readings in Modern Korean Literature, Korean Language in Culture and Society, and A Dictionary of Korean Grammar and Usage. This revised edition of Integrated Korean: Beginning 1 is a significant improvement over its predecessors, with a reorganized lesson structure and vocabulary exercises. Each lesson now includes a conversational text (with its own vocabulary list) and a reading passage, allowing students to engage more deeply with the material. The accompanying workbook remains available online and in paperback, providing students with extensive skill-using activities. Audio files for this volume may be downloaded in MP3 format at Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. The new third edition of Integrated Korean: Beginning 1 features an attractive color design with new photos and drawings, and fully reorganized lesson and vocabulary exercises. ========== Each situation/topic-based lesson consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. The accompanying workbook provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is developed according to performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. In response to comments from hundreds of students and instructors of the second edition, this new third edition presents a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook—a fully reorganized version—provides students with extensive skill-using activities based on the skills learned in the main text.Integrated Korean is available online as well as in paperback, and audio files for this volume may be downloaded in MP3 format at explanations and abundant examples and exercises are now available for each situation/topic-based lesson in the main texts, which consist of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. The new edition features a more attractive two-color design with all new photos and drawings and an additional lesson and vocabulary exercises, as requested by hundreds of students and instructors from the first edition. Lessons are now organized into two main sections, each containing a conversational text with its own vocabulary list and a reading passage. A newly written accompanying workbook provides extensive skill-using activities based on the skills learned in the main text. Audio files for this volume can be downloaded on the web in MP3 format at , and a set of CDs is also available for purchase. websites require us to collect personal information from you. This is an example of the "INCREASE BURSTINESS" (IB) method.The revamped edition boasts a fresh, two-color design with snazzy new pics and doodles, plus an extra lesson and totes more vocab exercises. Students now get their own super-conversational texts and accompanying reading passages in the workbook, which packs even more skills-putting-practice activities. You can cop the audio files - MP3s, duh! - straight from the web, or score a sweet set of CDs if you're feelin' fancy.
