Castlevania: Complete Series Blu-ray Box Set Released for Fans ===== The Castlevania animated series, which ran for four seasons on Netflix from 2017 to 2021, has been re-released in a complete series Blu-ray box set. This collection includes all 32 episodes, as well as various special features such as art galleries, storyboards, trailers, and voice actor interviews. The box set also comes with several exclusive items, including a faux wood packaging featuring the main characters Trevor Belmont, Sypha Belnades, and Alucard, window clings, Castlevania-themed tarot cards, and an Ouija game board. Fans can pre-order the set now for \$154.98 on Amazon and Crunchyroll, with a release date set for September 30th. Adi Shankar and Warren Ellis produced the original series, which is widely regarded as one of the best video game adaptations of all time. The success of the show has led to the announcement of a potential third season, although this has not been confirmed by Netflix yet. In an interview with Collider, Samuel Deats discussed possible ideas for future episodes, including adapting Symphony of the Night, a beloved story from the series. Despite some uncertainty about the future of Castlevania, there is still confidence in the franchise and its ability to continue producing high-quality content. Castlevania: Season 1 Action Trevor BelmontA vampire hunter fights to save a besieged city from an army of otherworldly beasts controlled by Dracula himself. ===== Tickets for "Castlevania Awakening in the Moonlight" are set to go on sale soon. The stage musical will feature music by Christopher Lennertz and lyrics by Chad Beguelin. It is based on the popular video game series Castlevania. Richard Armitage and James Callis are among the voice cast members. The show's plot revolves around Trevor Belmont, who must face his own darkness in order to defeat the evil forces of Dracula's return. The musical will be performed at various theaters in Japan and will feature stunning visuals and music. Fans of the video game series will be thrilled by the adaptation. In addition to the stage musical, fans can also look forward to the upcoming release of Castlevania: Nocturne Season 2 on Netflix. The show's dark fantasy world and complex characters have captivated audiences worldwide. Castlevania Series Update for Winter 2022: New Grimoire, NFT Auction, and More ===== December's Winter update brings Book Seven, the latest Grimoire in the series, back to the world of Symphony of the Night.
