Pokémon Legends: Z-A — 06 November, 2025 Three new trailers have been released for Pokémon Legends: Z-A. The first two deal with the paid DLC, which is announced to be releasing on December 10th. During this DLC, Hoopa opens up portals to Hyperspace Lumiose, a parallel world in which different Pokémon can be found, including several from newer games like Scarlet/Violet. There are also new Mega Evolutions. Mega Raichu X and Mega Raichu Y were seen previously, and this trailer also reveals Mega Chimecho and Mega Baxcalibur. Continue below for the trailer videos. Continue reading Mega Evolutions for Raichu and the original Kalos starters announced Pokémon Legends: Z-A — 12 September, 2025 The latest Nintendo Direct has aired and revealed five new Mega Evolutions for Pokémon Legends: Z-A. The first three are of the original Kalos starters from Pokémon X&Y - Chesnaught, Delphox and Greninja. These are not the First Partner Pokémon in Legends: Z-A but can be caught during gameplay. Their Mega Stones are obtained from Ranked Battles. Here is the trailer: Also revealed was Mega Dimension - a paid DLC rather than being in the base game. The story appears to be based around the mythical Pokémon, Hoopa. During this DLC two new Mega Evolutions will be available - Mega Raichu X and Mega Raichu Y. Images below. Continue reading New game Pokémon Pokopia revealed in Nintendo Direct General News — 12 September, 2025 The latest Nintendo Direct has aired and revealed a new spin-off Pokémon game - Pokémon Pokopia. In this game you play as a Ditto who's taken the form of a human. As you encounter Pokémon you can learn new techniques and build the world around you. Here is the trailer: Pokémon Legends: Z-A — 10 September, 2025 A new trailer for Pokémon Legends: Z-A has been released, this time taking the form of a news report with social media clips. In the report a woman admits to using Malamar to hypnotize people into loving it. At the end it's revealed she does this using a new mega evolution for Malamar. Malamar remains Dark/Psychic type, and the mega evolution process apparently further enhances the effects of its powerful hypnosis. Full trailer below. Continue reading Mega Hawlucha revealed in new trailer Pokémon Legends: Z-A — 28 August, 2025 A new trailer has dropped, which reveals a new Mega Evolution: Mega Hawlucha! It takes the form of a wrestling match against Machamp, who starts with the upper hand, but then Hawlucha Mega-Evolves and wins the battle. Mega Hawlucha remains Fighting/Flying type and increases in size slightly. Continue reading Mega Victreebel revealed in spooky trailer Pokémon Legends: Z-A — 21 August, 2025 A new Mega Evolution of Victreebel has been revealed in a new trailer. The video takes the form of found footage with two people exploring an old spooky house. At the end a third trainer is trying to control their Victreebel which has Mega-Evolved. Official description: The volume of this Pokémon's acid has increased due to Mega Evolution, filling its mouth. If it's not careful, the acid will overflow and spill out. Continue reading Z-A Battle Club revealed at Pokémon World Championships Pokémon Legends: Z-A — 17 August, 2025 At the closing ceremony of the Pokémon World Championships this weekend, an update on Pokémon Legends: Z-A was announced. In Link Battles and Ranked Battles, Z-A Battle Club has up to four players battle in a melee, and the trainer who defeats the most Pokémon, and acquires the most points, wins. Here is a trailer showing off the gameplay: Continue reading Pokémon Presents reveals Mega Dragonite and other features Pokémon Legends: Z-A — 22 July, 2025 A new Pokémon Presents has just aired, with many news snippets as well as a new game announcement and further news on the upcoming Pokémon Legends: Z-A, which will be released October 16, 2025. The biggest news was the reveal of Mega Dragonite! During the story of LZA, you will join Team MZ who protect Lumiose. As revealed previously there is a tournament Z-A Royale that takes place at night, and there appears to be an evil team called the Rust Syndicate. As in the original X/Y games there is a big fashion focus and trainers can change their hairstyle and clothing. Like Legends: Arceus, there are many side quests where you can help out other characters around the city, and do research on Pokémon. Another strand is Rogue Mega Evolution, where wild Pokémon have been Mega-Evolving on their own and you must quell them. Among them is Mega Dragonite, which takes on features of Dragonair such as its small wings and pearl on its tail. Continue reading Z-A Royale tournament revealed for Pokémon Legends: Z-A — 27 March, 2025 A Nintendo Direct has aired and featured some Pokémon news. After a short recap of earlier info, it's revealed that at night trainers come out to battle in a tournament called the Z-A Royale. In special zones, similar to wild zones but marked in red, if a trainer sees you they will challenge you to battle. You can also sneak up on a trainer or their Pokémon, similar to taking wild Pokémon by surprise in Legends: Arceus. In the tournament, trainers start at rank Z and work up to rank A. Here is the Pokémon part of the Direct: Continue reading Pokémon Presents reveals more details on Pokémon Legends: Z-A and new battle game General News — 27 February, 2025 A new Pokémon Presents has aired today - Pokémon Day - and revealed more about the upcoming game Pokémon Legends Z-A, as well as a new battle-focused game. The full presentation can be seen below: After a little bit of Pokémon history and some brief trailers on mobile games, a new game was announced: Pokémon Champions. It will be available on the Nintendo Switch as well as mobile devices, and focuses on core-style battles. It will also connect to Pokémon Home. Finally, we learned more about Pokémon Legends: Z-A. Continue reading Generation 8 Pokémon and Dynamax coming to Pokémon GO — 28 August, 2024 Niantic have announced a large update to Pokémon GO, bringing the release of Generation 8 along with the Dynamax feature from Pokémon Sword & Shield. It will start September 3rd with the season, titled Max Out. New Pokémon will be released in the wild: Grookey, Scorbunny, Sobble, Dredpy, and Stonjourner (UK only). Morpeko was also announced previously but it's not clear when it will be released. It will bring a change to battles, with it being able to change form like the main series games. With the new event starting on the 3rd, Skwovet and Wooloo (which were released a while back) will also appear and can be shiny. Niantic decided to release very little information about how Dynamax will work in GO. But so far we know that from September 10th, mysterious Power Spots will appear in which players can battle Dynamax Pokémon. A new substance Max Particles can be collected at Power Spots to take them on. Only Pokémon caught from Max Battles can be Dynamaxed. Bulbasaur, Charmander, Squirtle, Skwovet, Wooloo will be the first battles available. Continue reading Pokémon Presents reveals new game, Pokémon Legends Z-A General News — 27 February, 2024 A new Pokémon Presents has finished airing and revealed a new game: Pokémon Legends Z-A. It will be set in Kalos and feature Mega Evolution in some way. Presumably it will focus on Zygarde, the third legendary of the X&Y games. Here is the full Presents; the Legends Z-A trailer starts around 10 minutes: Continue reading This is the complete National Pokédex for Generation 9, which lists every one of the 1025 Pokémon discovered so far. Click a Pokémon's name to see its detailed Pokédex page, or click a type to see other pokémon of the same type. See also: Pokédex with stats. Surprise Me! Lowest Number (First) Highest Number (First) A-Z Z-A Try these suggestions to find a Pokémon: Reduce the number of search parameters Search for only one Pokémon type at a time Try multiple body sizes and shapes Shiny Morpeko makes its Pokémon GO debut in the High Voltage event. Welcome to Bulbapedia! the community-driven Pokémon encyclopedia about Pokémon to which anyone can contribute. Since its launch in February 2005, it has grown to become one of the largest Pokémon resources on the internet. As part of Bulbagarden, this ever-growing wiki is supported by the Bulbagarden Archives, Bulbanews, the Bulbagarden forums, and the Bulbagarden Discord. You're welcome to browse for a while, if you wish, or make an account to start editing pages. We have 60,276 articles on a range of Pokémon-related topics. If you have any questions, first see the FAQ page. If this doesn't help, find an active staff member. They'll point you in the right direction. Message from the Editor October 9 Fellow Kalosians, Can you feel the Anticipation in the air? Maybe there is a Rogue Mega Evolution! With less than a week to go until the worldwide release of Pokémon Legends: Z-A, the excitement has been palpable. Before our wiki editors dive into the coverage for a new core series game, we have a few announcements we would like to share. This past month, we brought on two new volunteer Bulbapedia Staff. Please give a big round of applause to Driftin Soul and RotomAmiti, our new Junior Administrators! Driftin Soul and RotomAmiti have been more than helpful with ongoing projects, suggesting new ideas, and giving a helping hand to other editors on-wiki and in our community discord. They will surely bring fresh new Mega Energy to the encyclopedia. Welcome in! We are also pleased to announce two promotions: minibug and SuperPikaPool13 will be joining our Mega-Evolved Leadership Board! minibug and SuperPikaPool13 have shown great leadership capabilities with recent wiki updates, and frequently assist other areas of Bulbagarden. I am personally looking forward to the future possibilities these two will bring in their new roles. Congratulations! Pokémon Legends: Z-A is expected to feature several never-been-done-before concepts, and there will surely be a number of new eager editors wanting to document that new content on Bulbapedia. We encourage those users to check out our community resources including our getting started page and our Bulletin Board. It is never too late to join in on the fun! As always, happy editing! MaverickNate Editor-in-Chief, Bulbapedia Browse previous messages Welcome to the Pokémon Wiki! Our ambition is to create a collaborative Pokémon encyclopedia. There are a wide range of different areas available to explore and participate in; so feel free to sign up for an account and start editing! Should you encounter any issues, don't hesitate to reach out to one of our administrators for assistance. Also, remember to review our guidelines and Manual of Style for tips on how you can effectively contribute to the expansion of this database! The Pokémon Wiki was started in 2005 and thus far has 22,180 articles, 2,071,831 edits, and 228 active users today! Our wiki is in accordance with our Terms of Use and COPPA, which means that we are prohibited by law from collecting information from users under 13 years of age, or under 16 years if living in California and the European Economic Area (excluding the UK). Hello! Kettlon here wishing you a happy new year and what to expect within the next week or so. The main page on desktop has been given a revamp! (Details here) Hopefully with this new layout readers will find the overall browsing experience easier, but if you have any concerns reach out to me on my message wall. The first selection of episodes of the new Horizons series: The Search for Laqua are expected to be aired from 13 January in the UK. As a reminder that editors willing to update anime episode articles unreleased in Japan to Spoiler tag them, and hide the content as a mark of courtesy until the date passes. Luckily, we have a template and the tools to do that: {{Spoiler}} Spoiler text Take care. Looking forward to refreshing new year of enjoyable collaborations! 18-11-2025 06:00 GMT / 01:00 EST by Serebii. This update will be amended throughout the day so be sure to check back.
