Shubman Gill Joins Infamous List With Toss Streak ========== The coin toss in cricket might be a matter of chance, but some cricketers have struggled with it more than others. Among those who have had their fair share of losses at the toss, one name that stands out is Shubman Gill's. Gill, an Indian batter, has recently joined the infamous list of cricketers who have lost tosses on multiple occasions. This is not a new phenomenon in cricket, and several players have struggled with this aspect of the game over the years. One player who had a remarkable run of losing tosses was Yuvraj Singh. He played 464 matches for India, but his team lost the coin toss 14 times during that period. Other notable players who have struggled with the coin toss include Ricky Ponting and Gavaskar. They had similar problems in their careers. The BCCI has announced the schedule for the first two weeks of the tournament, including matches against Delhi Capitals, Punjab Kings, Rajasthan Royals, Chennai Super Kings, and Royal Challengers Bangalore, among others. Delhi Capitals will play all their remaining five home matches at the Arun Jaitley Stadium in Delhi. Punjab Kings will host their final home match in Dharamsala. Rajasthan Royals have opted for a second venue in Guwahati and will play their final two home matches there. The teams have been bolstered by the addition of new recruits, with several star players joining their ranks. ========== The BCCI released the first part of the fixtures for the IPL 2024 season on February 22, accompanied by ICC CEO Geoff Allardyce and BCCI Secretary Jay Shah. The opener saw a thrilling encounter between the reigning champions Chennai Super Kings and Royal Challengers Bangalore at the M.A. Chidambaram Stadium in Chennai. The second part of the fixtures was revealed on March 25, with the final scheduled to take place on May 26 at the M Chidambaram Stadium in Chennai alongside one of the playoffs. The remaining two playoff matches will be held in Ahmedabad. IPL 2024 will feature ten teams competing in a round-robin home-and-away format, with the top four advancing to the playoffs. The top two teams will participate in Qualifier 1, while the third and fourth-placed teams will face off in an Eliminator. The winner of the eliminator will compete against the team that lost Qualifier 1 in a Qualifier 2. The winner of Qualifier 2 will then secure a spot in the final.
