I was aware of the Alzheimer's aspect in **'Baby John'**, so there is no need to repeat it in my story.' About 40% of the shooting of this film has been completed Anurag also told that about 40% of the shooting of this film has been completed. He further said, 'In August and September, we are

planning another schedule in which Karthik will be seen clean shaven. Currently, he is shooting for his other film (**Tu Meri Main Tera Main Tera Tu Meri**), which requires a different look. Continuity is the only challenge. Once he completes it, we will start preparing for the next phase.'
